As the Boss prepares to expand into the USSR (the Raymond Revuebar in Lithuania? We kid you not), and droves of stunning ladies nip over from Hungary and Czechoslovakia to drop their knickers for this august journal, a question arises: how has everyone in the Eastern bloc been re producing all these years? From the way they've reacted to a little press freedom you'd think nobody the wrong side of the Iron Curtain had had it for four decades. No wonder they all looked so miserable in those Soviet documentaries about pig-iron production.

Talking of matters Eastern, this issue marks our farewell to Editorial dogsperson Paula Clark, who is buggering off to Budapest after a glorious six months at the palatial Club HQ. She will be sorely missed by the local off licences and the landlord of the Wellie, who has recently bought a new Porsche on her Guinness money. When asked what Paula actually did apart from drink, Deputy Editor Robert Swift went rather red, smiled sheepishly and mumbled something indistinct under his breath. We wish Paula, and the Hungarians, the very best of luck. They'll need it. ♣

After our centrefold from mega-munchable Mel in Volume 20 Number 8, it took four juggernauts and a low loader to cart all the fan letters into the sorting office of the palatial Club HQ. A letter from Mike of Solihull was typical of the millions of missives: "Cor — that Mel's a bit nice. In fact, I'd go so far as to say I'd definitely give her one." Very succinctly expressed, Mike. Mel assures us she'll come back and do another photoset just as soon as she can: "But at the moment I'm far too busy playing with my pussy while I read all your sexy letters," she tells us. And being the thoughtful sort of chaps that we are, we wouldn't want to stop a girl having a good time...♣

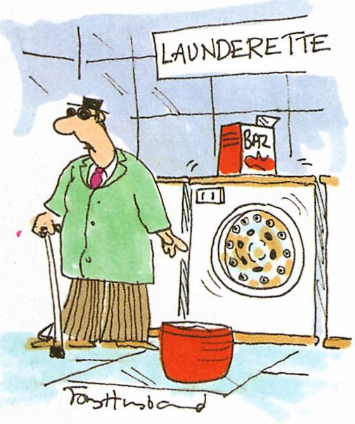
Caught In The Act

I'm usually pretty careful about keeping my copies of Club discreetly hidden away, mainly because I share a flat with a couple of ladies who I thought wouldn't appreciate the beautiful girls you feature. How wrong I was!

I came back from work early last Thursday, and I couldn't believe my eyes when I walked into my bedroom and found Jane, one of my flatmates, lying on my bed with her knickers around her ankles and a copy of Club Vol 20 No 8 open at the pictures of Sophie!

I have to admit that Jane showed great taste. Sophie was one of my favourite girls from that issue. I can't quite put my finger on what it is about her, but Jane reckons it's her cute looking pussy!

Anyway, as a result of my catching Jane in the act, she now insists on buying two copies of Club every month— one for herself and one for me! We often go through the issue together picking out our favourite models, before Jane treats me to a slow and thoroughly satisfying fuck session. I can't thank you enough Club, and neither can Jane! — *James, Hackney*



Rex... Rex! Here boy!

Magic Mel...

She's absolutely gorgeous, out of this world... who am I talking about? Why, only the most beautiful woman ever to appear in Club — the exceptionally horny Mel.

What I would give to spend several hours with that sexy 19-year-old brunette! She is just so beautiful, I'd love to bury my face between those thighs and lick her cunt lips and clit, bringing her to an explosive orgasm. Mel's cute tits looked absolutely divine, as did her curvy little bum.

I've just got one thing to say — when are you going to have her back in the magazine? — *Ian, Reading*

Lezzie Lust

My name is Gayle, I'm 19 years old and I'm a lesbian. Lisa, my lover, is the same age as me and is incredibly sexy. She has blonde hair, firm tits with lovely pink nipples and a very tasty looking pussy.

I'm dark haired with big boobs that Lisa loves to play with and I have a shaven pussy. It was Lisa that asked me to shave it, as she claims that she can see a lot more of me that way!

Lisa and I have a great sex life together, we just love licking and sucking each other into a frenzy. There's nothing sexier than having a girl kiss her way down over your breasts, before resting her mouth on your pussy lips and frantically licking your love-hole!

We are both big fans of Club and we first started reading it about six months ago. We really like Ginny, and would relish the chance to meet her — in the flesh, of course! We're sure that Ginny would love to join two girls as horny as we are and I'm positive that she would be amazed at what Lisa and I could do to her!

All Ginny has to do is say the word — we're both ready, willing and more than able! — *Gayle (and Lisa), Upminster*

Dirty Dancing

I work as an advertising executive in a large firm and we recently celebrated ten years in business. The company hired out a hotel for the night and everyone was invited to a disco with an overnight stay.

I arrived at around eight o'clock, as did Tanya, a good-looking girl who works in the same office as me. She's 21 years old, with long blonde hair and a stunning figure that looked really mouthwatering in the tight black dress that she was wearing. I'd fancied her for ages and I just couldn't keep my eyes off her all night.

I eventually chatted her up and we ended up dancing to a slow smoochie together. As

Who's That Roach

BUGGER THIS FOR A LARK

Cockroaches have been seen in all the best places — the QE2, the Cafe Royale, the Ed's penthouse apartment in Willesden — but now these bit part players have a show of their own. It's the *Cockroach Hall of Fame* at the Empire State Building in New York.

The exhibition is run by *Combat*, a pest control system so effective that it can even rid your television of Paul Daniels.

Entomological autograph hunters will be queueing for a glimpse of Elvis Roachley, The Roachettes and King Kong Cockroach on top of a model of the building where these superstars perform (rather stiffly, 'cos they're all dead). There's even a battery of bugs in tanks ready to take on Saddam Hussein, employed presumably after the British army cutbacks.

The silly buggers who have created these cockroach clusters were

Dear Christie,

I could hardly believe my eyes when I opened up Vol 20 No 8 and saw your horny pictures. I just loved the way your long blonde hair cascaded down around your slim shoulders, and the sexy expression you had on your face soon had my cock throbbing. I have to admit that I have always had a soft spot for blonde-haired women... and, Christie, you are certainly no exception!

Ever since I saw your sexy pictures I've been trying to imagine the horny fun that we could have together. Even as I write this letter, I'm fantasizing about kissing my way down over your perfect breasts, stopping only to lick and suck your hard nipples, before working my way down to my ultimate goal — that lovely, blonde pussy of yours! I would gently pull apart your pussy lips and then flick my tongue over your swollen bud — how does that sound, Christie? — *Rowan, Belfast*

Mmm, that sounds pretty good to me, Rowan! I really love getting my pussy licked by a hunky guy who knows exactly how to turn a woman like me on. I can be very demanding in bed, but I always return the compliment, if you know what I mean!

Your sexy letter certainly made me feel horny, my pussy feels all hot and tingly, and I don't think that I can resist slipping a cool finger inside my pussy! — ***Christie*** ♣

competing for a $1,000 prize for the biggest and a $500 prize for the most creative roach. we did so, Tanya started to press herself up against me and she gave me a sly smile as she felt my nob pressing against her stomach. We ended up snogging each other on the dancefloor, before I had the balls to ask her if she fancied coming back to my room for a nightcap.

Tanya agreed and we quickly headed up to my room on the fifth floor. In the lift I began to slowly stroke Tanya's slender thigh and when she smiled sexily at me, I moved my hand higher

Since we told all you guys about Timea's blossoming movie career in Vol 20 No 8, the Club HQ has been bombarded with offers from would-be thespians desperate to take a lead with the Hungarian-born beauty. Sadly, Timea isn't impressed...

"Sorry, guys, I could never date an actor," says the gorgeous 20-year-old

dismissively. "They're just too temperamental. I like a man who can make me laugh out loud. I find a sense of humour very sexy indeed.

"Of course," confides Timea, with a wicked glint in her eye. "A man has to have certain other attributes too. I'm a woman who demands an incredible amount of attention, and I like to be pampered constantly. Any volunteers, guys?" ♣

GOBBLE!

WEDDING SPECIAL!

Aisle be damned, **Nathaniel Fatbastard** has finally kissed goodbye to his carefree bachelor days and tied the knot — with our very own **Ninja Pystcow**! *(The big bit's Nat's, and the tight box belongs to Ninja — The Ed.)*

The other day I threw away my *Club International Hand-Shandyman's Personal Organiser and Address Book* (£85.50). It's a shame. Decorated with a nude women on every page, it meant I've been able to look up an entry whenever I needed. I could put my finger on girls of widely differing parts, knowing I only had to whip out my ballpoint and they'd come running. But that belonged to my bachelor days (so called 'cos I spent so much of it living on packet soups). Now, I'm a mature responsible married man, and my filthy photo-filled filofax, like the panto heroine, turned into cinders at midnight.

That's right, last Saturday, Nathaniel Hercules Fatbastard and Miss Ninja Lavender Pystcow were joined together — as we have been every Saturday night for the last month — only this time in matrimony. It had been a rough week, but it came right in the end.

Before the big day, I was rushing around making a blue-arsed fly look like a couch potato. My first stop was *Moss Dross* (790, Bijou Place, Covent Garden) to hire a morning suit (so called 'cos it had to be back by the afternoon). Manned entirely by effete old pooves, the crackle of athritis during the rush to take my inside leg measurement was louder than an Aussie forest fire.

"Oooh, which side do you dress on, Sir?" salivated the senior salesman.

"To the left and then straight on till you reach the knee!" I replied wittily. He fainted. However, a spotty youth with skin like a burnt lasagne, supplied me with trousers, gloves, waistcoat and a jacket with grey tails that looked like a threadbare rat. He also gave me a pair of spats — invaluable for keeping the dog shit off your shoes — and a top hat that was three sizes too big.

"You don't wear it, you just carry it around with you for effect," he whimpered.

"Oh, like a condom!" I quipped.

Next it was *Ratnose the Jeweller's* (8 Carat Street, Catford) to collect the rings. Ninja had chosen a group of emeralds and rubies set in gold — she always did like a big cluster. Personally, I never bother with flash jewelry. In late-night Lewisham, it's the equivalent of wearing your wallet on the outside. Then I had to organise a photographer. All the other arrangements were being handled by Ninja's Dad, but having associates in the business, I contacted Club lensman, Louis Sleaze. Fortunately he had a day free between a lesbian session and some mud wrestling, so he fitted me in. Finally, I had to get in touch with my old mucker, Tolly Stirling, who since his release has used his re-spray and new number plate business to great effect restoring classic cars of the 1970s. A long-time drinking partner, I wanted him to be my best man, and provide the transport.

"I've the very wheels, Nat me old mate," he replied. "A superb Austin Princess 1800 with vinyl roof and imitation sports-effect wheels. One none-too-careful owner — he got nicked doing 120mph on the South Circular."

"Sounds ideal!" I lied.

The great advantage of having Tolly as a best man is that I knew my stag night would be a quiet one, and I wanted to have a clear head and closed bowels the next day. He doesn't go out much — not since the photofit was published — instead, he came to my place and we talked about old times over a bottle or two of *Vladiawful Vodka* (£5.99), a few dozen cans of *Lethal Brew* (£1.20 each) and some dodgy videos Tolly had acquired through his mail order business, *Pervipost* (Box 99, The Toilets, Catford Dog Track). Despite not going overboard with the booze, I must admit that during *Bimbos Bonk In Butter*, I was feeling a little bit dicky.

And so to the big day itself! To be honest I was feeling more than a bit nervous. In fact, my toilet

flushed more often than Princess Di in a nudist colony. But I dressed in my elderly penguin suit, and got in the car. Halfway to the church, I told Tolly to stop.

"Going to puke, old chum?" he asked kindly.

"No, I've got cold feet," I replied.

"Oh, that'll be the newspaper I used on the filler on the doors. This car's got more bad draughts than a Soho real ale bar."

The next problem was finding the God-Shed we were supposed to be getting hitched in. St. Greavsie's Church for the Saviour of Our Souls was chosen by Ninja for nostalgic reasons. She used to sing in the choir there, and it was where she bit the bollocks off Tommy Barnes to help him hit the high note in *Once in Royal David's City*. But we got lost, and had to ask the way off a deaf geriatric with a Zimmer frame.

"Can you tell me where I can find St Greavsie's Church for the Saviour of Our Souls?" I bellowed.

"Saviour of what?" he screeched.

"Our souls!" I repeated.

"There's no need to be rude. I can't help it."

We got there with two minutes to spare. By this time my head was thumping like a Chas 'n' Dave party album. The organ swelled — so I put my hands in my pocket so that nobody would notice. Then Ninja arrived. She looked radiant in a full-skirted white dress — like one of those spare bog-roll holders stupid cunts buy to hide their arsewipe. The rest is a blur. I can remember saying "I do" a few times, and that the vicar had such a bad lisp that we also got a baptism thrown in for free. I also seem to recall him asking me if I had a gold ring, and telling him that my anal hygiene was none of his bloody business.

Then with the leaky church organ squeaking and farting away like an asthmatic accordion player with the shits, we made our way back down the aisle. Past hungover Tolly swaying like a Subutteo player. Past the obese bridesmaids whose pink satin dresses made them look like giant blancmanges. Past the chaplain to Louis the photographer, who only forgot where he was a couple of times. Once when he asked the bride's Mum to flash her stocking tops, and then when he tried to get the older bridesmaid to look like she was about to give the best man a blow job. Even so, we still have the only wedding album with several bum shots, and Ninja's sister sucking her finger and cupping her left boob through her dress.

Thanks to several bottles of *Bollocker Champagne* (£15.99 a magnum) I can't remember anything at all about the reception, except finally finding a use for the hat. I had just got up to make a speech when suddenly last night's lager decided it would gatecrash the reception. It was a good job the hat was too large as I filled it to the brim. The only snag was, a little later on, showing the most buxom bridesmaid my Fred Astaire impression, I put it back on my head. Fortunately, I think that most of the guests thought the lumps were confetti.

Thank God, we're off on honeymoon. I need a rest. — *Nathaniel Fatbastard* ♣

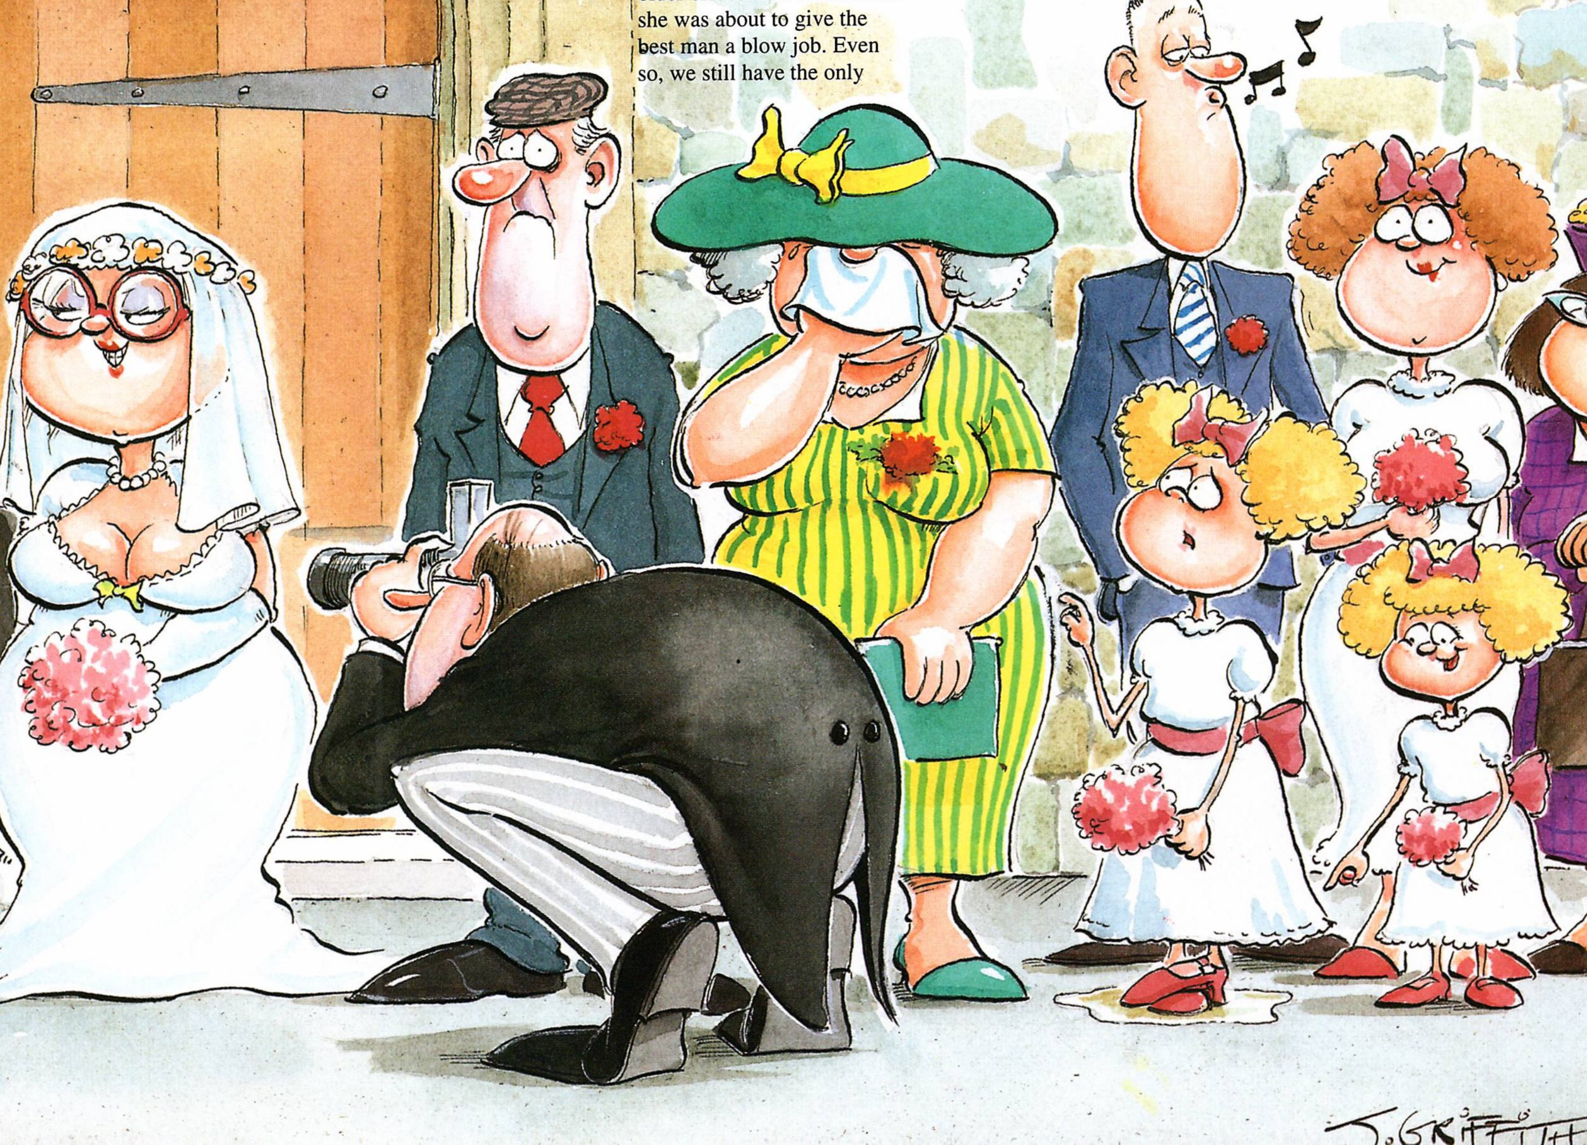
Oh joy! Oh rapture! At last Nat and myself are one. No more nights spent prodding my keypad trying to get something satisfactory from my 26 inch box. As our lisping vicar put it, "It's nithe to thee a lady getting a little thuccor in her middle age," let alone a great big fucker like Nathaniel.

The day went wonderfully. Girls, I'll let you into a big secret. My dress actually came from the transvestite make-over company *TV Kwik* in Hammersmith. They were the only ones to have my size in the material I wanted. I lost count of the number of men who slammed the phone down when I asked if they had a 44 inch tulle.

The church has never been more beautiful with its stained glass and stained porch, where blokes have a piss on the way back from the pub. And I only spotted one piece of graffiti. Underneath the text, 'God and Jesus love all', somebody had written, 'But Jesus went three games ahead in the second set.'

The bridesmaids looked delightful too, and even my page boy, Montague, behaved once we gave him back Tagliatello, his Teenage Mutant Pasta Turtle. Nat was magnificent. His suit fitted him like a glove (it bulged in five places — only joking!).

I'm sure we'll be happy together, and I can cure him of some of his idiosyncrasies (like throwing up at every opportunity). But first it's our honeymoon. Believe me, he's going to be shagging all night and all day, he won't get a moment's peace! But I'm sure he'll tell you all about it — if I let him! — *Mrs Ninja Fatbastard* ♣



SUZY

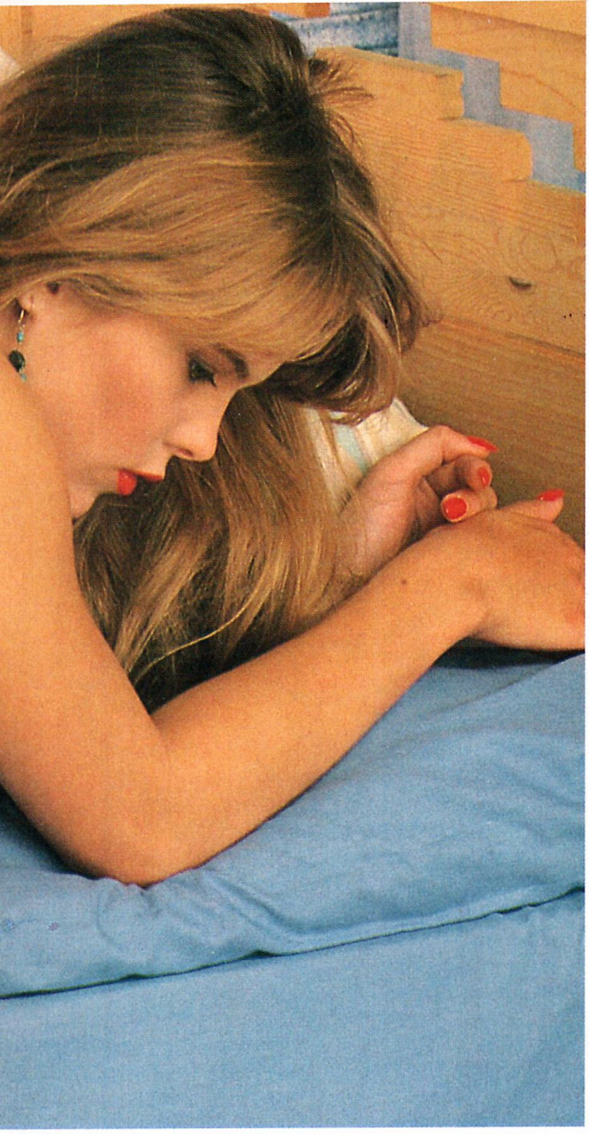
Photographs by Scott Evans

"As you can see I've got a single bed," complains sexy Suzy, "which makes doing all the things that I would like to do almost impossible."

Suzy is an English student, and these days she finds herself sharing her bed with nothing racier than Wuthering Heights. *"It's getting to be a real problem," the 21-year-old graphic designer admits. "I invite a guy back*

after a party, and just when everything is going great and we try something a bit adventurous, one of us loses our balance and topples off the bed! So I'm afraid that I've given up."

Given up on sex?



Isn't that a bit rash, Suzy?

The beautiful strawberry blonde shakes her head and laughs. "No, not sex, silly. I've given up on the bed. We do it on the floor now..." ♣

TOPTITS

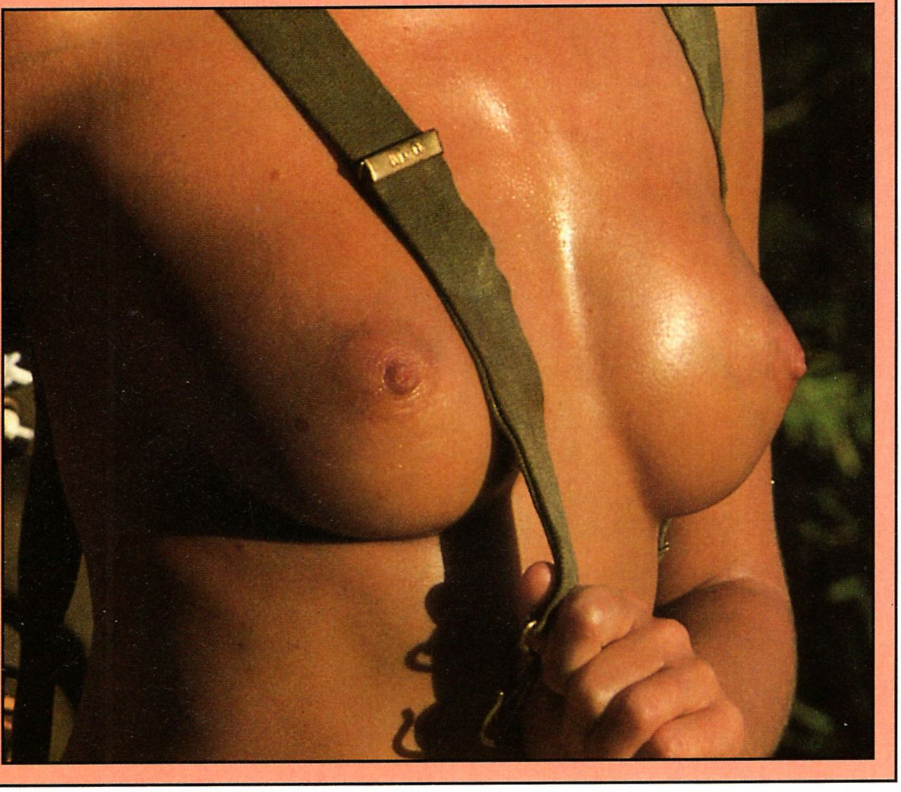
In this month's tour of my two favourite hemispheres — those found on girls' chests — I'd like to look at tits in transit. Let's face it, I'd like to *stare* at tits in transit, but you tend to get thrown off a lot that way.

Buses are just about the best for big busts. Watch those boobs bounce as the bus plummets down the pot holes of a city centre street, and the road won't be the only thing that's up. Or if you're standing, there's that moment when the driver brakes too hard, and two massive mamms of the sexy secretary variety come hurtling towards you like the heads of two Scud missiles — only with a much more explosive impact.

Trains are great for the small swaying type of tit that doesn't get hidden behind bras. Pick a journey with loads of points and junctions to cross, and let your jeans take the strain. You'll find the coming easy...

Planes are crap unless you get a bit of turbulence to have those jumbos rolling out of their hangers. The only other hope is to pick an airline where the stewardesses wear really low-cut uniforms. Trouble is, some of those girls are so skinny 7-4-7 is their vital statistics.

Whichever way you go, the tit-loving traveller is bound to be frustrated by hold-ups — but let's face it, guys, some girls like wearing bras. — *George Breast* ♣



YOU'VE BEEN FRAMED!

You've always wanted to get your own back on TV prankster, Jeremy Beadle — well, now, like Club, you can.

When the wacky practical joker was out on the town recently, we pretended to be a serious lifestyle publication interested in an interview, and took his picture!

Audience: Oooooh!

But what Jeremy doesn't know is that we really wanted to put the photograph in our bumper boob-filled magazine, so you could laugh at his smug little face.

And that's not all — but this is where we need your help, folks!

We want you to cut out this pictures of the jape-playing joker and pin it on a soft surface. Then every day, punch the little bastard as hard as you can on the snotbox.

As you do so, repeat the words, "If you're so game for a laugh, take that you stupid twat!" ♣

IN·THE·BAG

continued from page 7

until I could feel the wet gusset of her knickers.

The lift arrived at the fifth floor and we hurried into my room. Once inside, Tanya wasted no time at all.

She let her dress fall to the floor and I marvelled at her beautiful breasts. I moved my mouth towards her nipples and began to suck each one in turn. Tanya grappled with my belt and as my trousers fell to the floor, she pulled my boxers down and my erect cock slapped against my stomach.

Tanya quickly grabbed my cock and began to run her hand up and down my shaft, while I eased down her panties until they were down around her ankles. She stood before me completely naked and I gasped when I saw the thick, curly blonde pubes that covered her pussy.

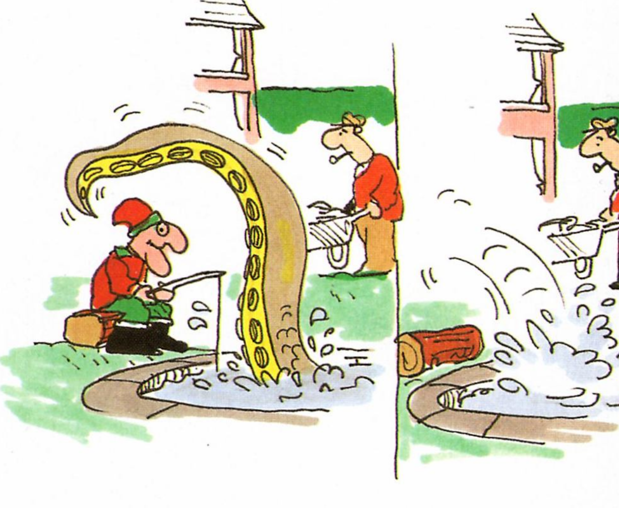
Tanya then moved towards the bed, her cute bum wiggling enticingly from side-to-side, before lying down and spreading her legs wide open before me.

"Fancy a taste?" she asked me, and I quickly dropped to my knees before her. I stroked the folds of her glistening pink pussy, before pulling apart her pussy lips and plunging my tongue inside. I flicked my wet tongue across her swollen bud and Tanya's body tensed up as wave after wave of orgasm rippled through her.

"Fuck me, Nigel," she screamed. "Fuck me, now!"

Tanya moved onto all fours and stuck her bum high up in the air. I held onto her hips and pushed my cock inside her hot snatch. Tanya then reached down and started teasing her clitty, as I pushed my cock in and out of her accommodating pussy.

As I felt myself beginning to come, I quickly pulled my twitching cock out of her cunt and sprayed my hot load all over her bum cheeks. Tanya took great glee in rubbing the sticky come into her skin, before she treated



me to one of the most amazing blow-jobs I've ever experienced.

The company are planning another party at Christmas, but I'm certainly not waiting that long. Tanya and I have arranged our very own repeat performance, at my flat at the weekend! — *Nigel, Coventry*

A Job Well Done

My name is Loretta, I'm 19 years old and have a curvy 36-24-34 figure. I'm originally from New York, but I have been living in London for the last four years while I study your English way of life... and a lot more besides!

During the summer of this year I decided to apply for a few jobs; not because of the money, but because I wanted to meet some of your quaint English guys.

You can imagine my delight when I was offered an interview for a job as a receptionist in a firm in the City. I arrived about 15 minutes before the interview was due to start, but was told that it would be delayed for an hour. I was pretty annoyed, but my anger soon turned to delight when an hour later, the interviewer's door opened and I turned around to see a tall, good-looking guy with a well-developed body.

"Hi, I'm David," he said. "Sorry to keep you waiting. Would you like to come this way, please?"

He led me into his office and sat me down opposite him at a table. We chatted about the job, but to be honest, I was far more interested in him than any job that might be on offer!

After about 20 minutes, he thanked me for coming along

SCREEEEOWWW!!!

Club's motoring correspondent, **Horst Pipe**, who up until now has only managed to drive us to distraction, takes another probing look at the weird and wonderful world of the automobile...

Two men who must be watching the current Formula One season with considerable interest are Stirling Moss and Frank Bruno. Both are past winners of the *Captain Mark Philips Gold Cup*, awarded annually to the *Best British Loser*, and must be sensing a rival as they watch with growing dismay Our Nige's progress up the points chart. Bruno, of course, won the award after successfully building a career out of not winning, a trick later perfected by Mansell during his year driving for Ferrari. This season, however, Mansell has suddenly turned from whinger to winner and Moss, said to be Britain's best driver never to have won a World Championship, could lose that title too unless Mansell screws up again and wins the Championship.

Of course, if Mansell actually wins he will be denied a shot at the real prize — the *BBC Sports Personality of the Year* — as this too is reserved for losers. He will, however, see his name go up alongside other British racing legends like James Hunt, who won the world title during a quiet moment back in the Seventies, and is hoping for a big break into coffee commercials with his older brother Gareth.

And neither has Mansell's stonking performance been the only big surprise in a season which saw victory at Le Mans go to Mazda's rotary-powered high-whiner, which also ran circles round everyone else on the French circuit. The top Japs also have a new model on the road, but whilst it is equipped as standard with the usual stereo cassette/radio and a 3.3 inch TV set, it's rather short on luggage space. But then as the car is itself a piece of luggage, this probably doesn't matter. Fully portable, the new car actually folds up into a suitcase, prompting the Japanese in a characteristic flash of oriental wit to call it the Suitcase Car. There are no plans for production, but Mazda insists that it is no joke. Indeed speaking for the company Ahso Tuyo told us, "whilst it has onry a singre cyrinder firty free CC engine, it is actuarry the fastest suitcase in the world. Compared to vis, the Sincrair C5 is a mere prastic bag."

And speaking of prastic, sorry, plastic threewheelers: the only one ever to enjoy cult status, the Bond Bug, is now back in production — 21 years after its original launch. Available in "any colour you like as long as it's bright orange," the Bug scored a big hit in the Seventies, proving strangely stylish despite its humble 850cc engine and Reliant Robin running gear. New ones are available from the Webster Motor Company (0794 68556) from just £5,000, or half that price if you build it yourself.

Dumbest car of the month is the Brooke 'Swan Car' built by an eccentric Scottish engineer, allegedly for use in India by the Mad-harajah of Bahmeeh, in the state of Utter Prattish. The car is equipped with feathers, a swan's neck and beak, and eyes which light up at night. And at an auction at Lord's cricket ground it achieved a price believed to be a record for petrol powered waterfowl. The buyer — who paid a cool £187,000 for it — wishes to remain anonymous.

Fun Car Of The Month: Turbo Technics Range Rover Vogue, aka the world's biggest GTi. The very rapid TT conversion produces a car which is not only powerful enough to piss everyone else into the weeds, but which has the offroad abilities required to follow them into the weeds, and then blow them off again — an irresistible combination for those of us who don't mind if other roadusers hate our guts. Club's guest roadtester, Lord Rydingham Roughshod, borrowed it for a weekend peasant shoot on his estate near Bath and was most impressed by the conversion. "The turbocharger gives the modest 3.9 litre V8 the same output as a highly immodest 6 litre and this, and the car's ability to go anywhere, proved enormously useful when running hunt saboteurs to ground. I bagged six brace before luncheon and got one of those CND chappies, a most satisfactory outcome." The conversion costs less than four grand although you do have to supply your own Range Rover. ♣

I put it to you, ladies and gentlemen of this court, that Editorial Assistant, Paula Clark, did wantonly and wilfully sub-edit Mr Horst Pipe's feature in Club Vol 20 No 8 until the copy and the photos were completely and irrefutably unconnected. In accordance with the wishes of this jury, Paula Clark will be taken from this place to another, clad in sealed rubber suiting and forcibly fed with Bass Charrington Ales. Marcelle Marseauwhat, ski-instructor to the stars, is seen here at right, holding onto Lady Marissa Flitclicker, the plucky society deb who paid £500,000 for the experience of setting off down the North Face of the Eiger without a single skiing lesson.

"I've skied with them all," boasts Marcelle, founder of the *Crash-and Burn Ski-School for the Expensively Unsuitable;* "Lois Braille, Douglas Bader, Oliver Reed. My motto is '*Never Let Go*'"

"Thimply thuper," said a breathless Marissa after her hair-raising descent. "I knew I could do it. After all, Printh Charlth hath done it, hathn't he?"

Marcelle is currently in Berne Hospital Intensive Care Unit having two fir trees and a snow plough removed from his mouth. ♣

......IT IS NOW!

Good sport, **Maurice Short**, looks at the likely contenders for this year's title of 'Big Boss of the Babble'... and Demi Moore on a sticky wicket? Hmm...

If you think you're a real cricket fanatic, then think again. Hesketh K. Naylor, a New Yorker of the 1800s, now he *was* a cricket fanatic. So much so, in fact, that he found he could only gain sexual satisfaction by watching large breasted maidens playing cricket... in the nude. Sadly for the man in the street Mr Naylor, a millionaire, held his special games in the ballroom of his mansion. Had they been open to the public I've no doubt cricket would really have taken off in the USA.

Having got that behind me — and speaking of which, can you imagine keeping wicket while Demi Moore's batting and Wendy James' bowling slow left-arm? *(Someone throw a bucket of cold water over him — The Ed).* Splosh!

Ah, that's better. Now where was I? Yes. With the new soccer season underway, some pundits are already speculating on the fate of Liverpool, Real Madrid and Brechin City. But true cognoscenti such as myself are far more interested in the war of words, the contest between the Euro-commentators to see who wins the coveted 'Golden Tongue Title' and emerges as 1992's 'Big Boss of the Babble.' Let's take a look at the leading contenders...

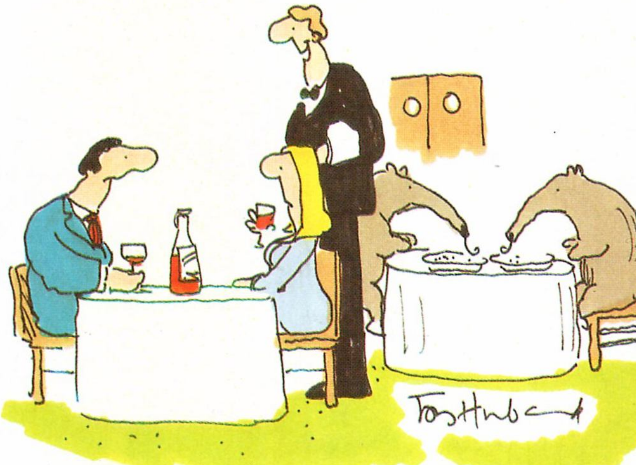
Robson: "Boring, me?"

Bobby Robson (England): Blessed with all the personality of a tampon, Robson is soccer's Mr Bland. A master of the understatement, his inability to come up with up an obvious and offensive national stereotype at the drop of a hat has cost him dear in the past. An outsider for the Championship.
Best moment in 1990 — "If England lose this one, and it's not over yet by any means, it might be fair to say that it would be something in the nature of a slight disaster. Although only in a footballing sense, of course."

Johan Grottsohn (Sweden): The so called 'Wizard of Drivel', Grotti, as he is known to fans, is the one-time boy-wonder of burble (then it was discovered that just because you're little and infantile it doesn't necessarily follow that you're young). Failed at the final hurdle last time around when he attempted to construct an alliterative sentence containing the name Bora Milutinovic.
Best moment in 1990 — "Another pin-point pass by the pint-sized perfectionist with the perm and the Francho Villa moustache. Incidentally, his brother, Bogdan, once bred badgers on the other side of the border. Quite a coincidence that, really."

Giani San Tangriffsi (Italy): The first ever football commentator to be canonised, Griffsi was a winner last time out. At one time it looked as if the 'Sheepskin-Coated Soothsayer of Senselessness' was losing his touch, but then a frontal lobotomy put him back on the winning trail.
Best moment in 1990 — "He (the ref) is about as popular as Saddam Hussein in Yogurtistan. Funny name that. Probably because it's foreign, I reckon."

Jones Williams (Wales): 'Jones the Twaddle' won many admirers last season for his sudden decision not to anglicize foreign names. The International in Tirana produced some of the truly great moments of soccer commentary as British viewers were treated to the authentic sounds of the Albanian language. Fortunately his microphone clogged up with saliva after 15 minutes and fans watched the remainder of the game undisturbed. Could pull off a surprise this season, as long as British clubs avoid Polish opposition.
Best moment in 1990 — "Barnes. Tackled by... (sound like bronchitis sufferer yodelling in a septic tank). Passes it out to... (noise of TB victim playing bugle).



May I recommend the chef's ant dishes, Sir?

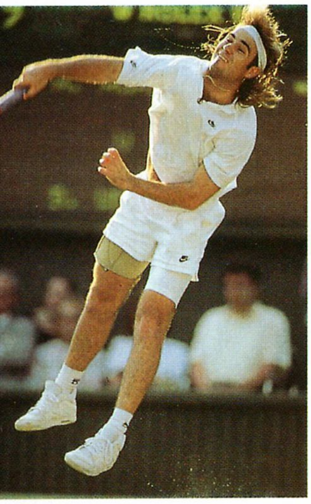
Looks up and see... (hay-fever sufferer inflating a condom). I'm terribly sorry. It must be this spicy food."

Giorgiou Syntax (Greece): The ageing maestro. Syntax is the grandfather of them all. His mastery of the extended mixed metaphor still makes him a force to be reckoned with.

Best moment in 1990 — "This then, is very much the moment when Germany, with all their eggs placed firmly in the cauldron of the Olympic stadium, must grasp the nettle and see if they can wrestle it from the fire that is Argentina."

Archie McCliche (Scotland): 'The Highland Chief of Hyperbole', McCliche seems to have all the prerequisites to make him top dog in 1992. However, a suspect temperament could well tell against him. In moments of excitement he tends to explode with the force of a small thermo-nuclear device.

Best moment in 1990 — "Strachan. Little Strachan. Gordon Strachan must score... STRACH-KABOOOOOM!!!"



Agassi: definitely a twat.

And now, once again, it's time for Maurice Short to put his head where other men wouldn't put their feet (as Brian Moore memorably said of Joe Jordan) and ask the burning sports question of the day: Andre Agassi — superstar, or twat?

Unfortunately I've no time to answer that at the moment. My girlfriend's just come in wearing her Rod Marsh wicket-keeper's gauntlets and abdominal protector. Still, I expect you can work it out for yourselves. ♣

Lori

Photographs by Roberto Rocci

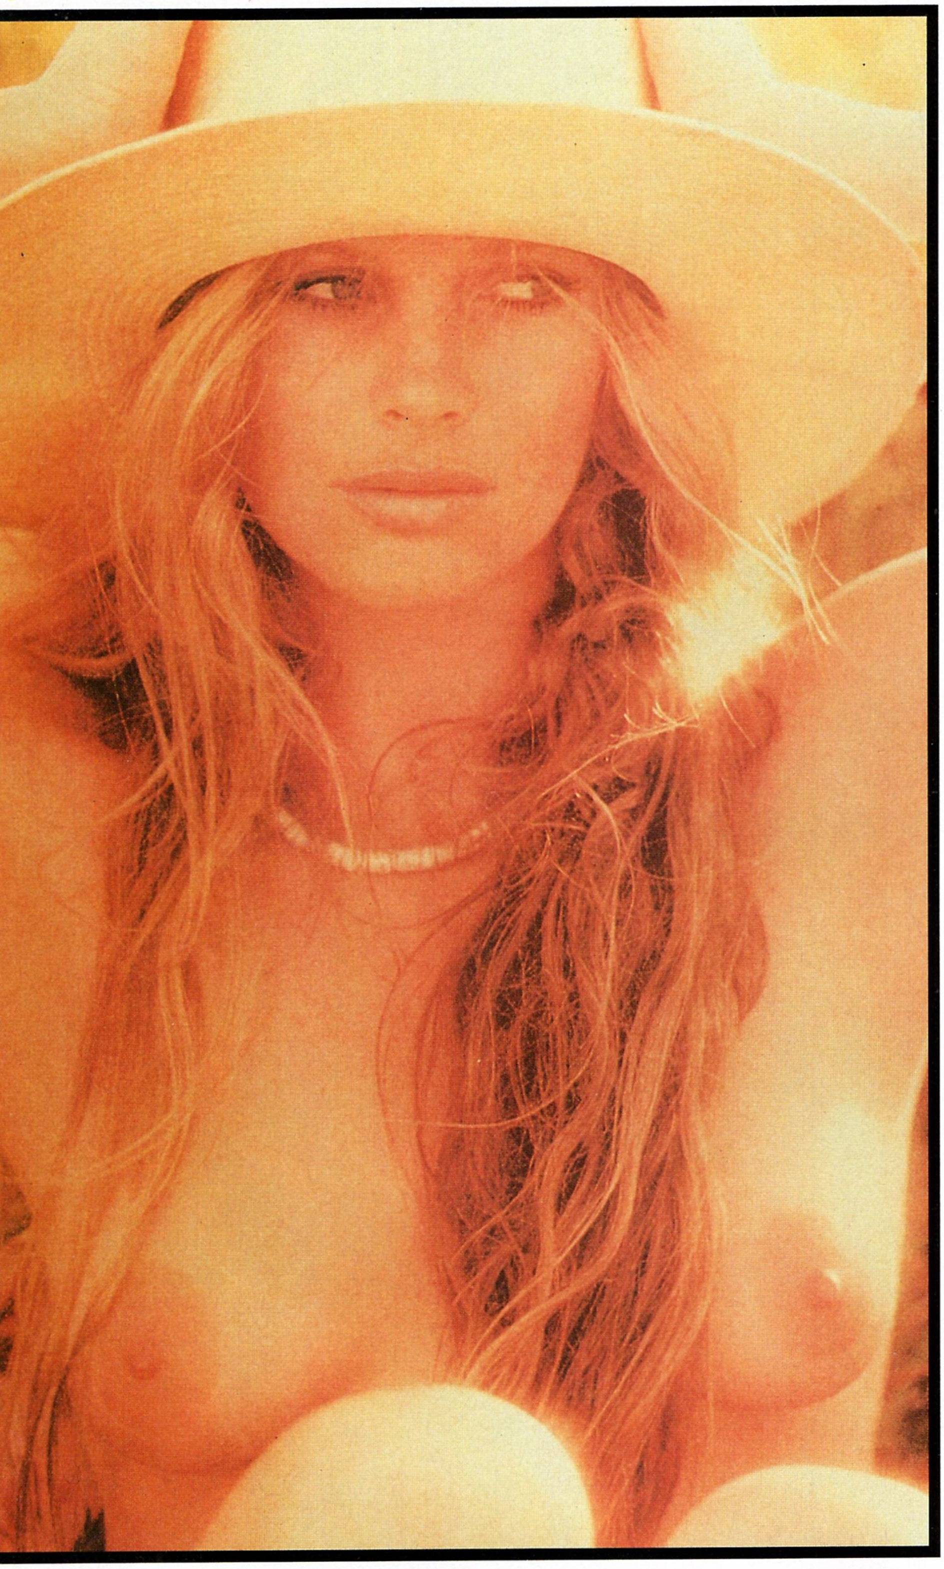
It's second time around for luscious Lori, who is baring her body once again for her British fans. "I had such a good time back at the beginning of the year that I just had to give it another go," cooes Lori, her hands straying down over her beautifully pert breasts.

The globetrotting 21-year-old certainly left a big impression on Club readers when she debuted in Vol 20 No 1. 'Legs longer than the Mississippi!' gibbered Dave from Chester, no doubt wishing he had the Moses touch when it came to parting the waters.

And Lori's reaction to all the fawning

fan mail that arrived by the sackload at the palatial Club HQ?

"I just loved all the attention that I got from you British guys — and you're all so polite," she purred. "Mind you, I did meet this really cute looking guy in Oxford... I got him back to my hotel and, well, we both kinda forgot our manners for an hour or two!" ♣



KIM *Basinger*

Kim Basinger is one of Hollywood's hottest and horniest leading ladies. She also gives a rather rude interview, as Club's Friend of the Stars, **Dennis Copley**, found out...

"I love sex," says Kim Basinger, as casually as if she were ordering a takeaway. "It's very important to me. You have to have wild, nasty, crazy sex. I never wanted to just kiss."

Basinger has never been short of a salacious quote or defiant gesture. She's developed herself a reputation as one of Hollywood's hardest and horniest stars on the circuit. She's been known to pick up men, have nights of rampant sex and then unceremoniously dump them just as quickly.

"You have to have wild, nasty, crazy sex"

"I love a man with a sense of humour," she claims. "But I have been known to connect with just one look across a crowded room."

She says she regrets none of the encounters she's had or forgets the men she's met.

"Sex should be about exploring. There are so many more interesting things to do with someone than simply go to bed with them. Other things are so much more fun, so much more wicked and powerful."

Hollywood clothes designer Alexio Gandara would testify to that. The lucky man spent five nights with Ms Basinger and each time was a real eye, not to mention thigh, opener.

The couple met at a nightclub on Sunset Strip. Soon they were headed for Alexio's hotel room where it didn't take long for them to get down to business.

"As we sat down on the bed she took her blouse off," he recalls. "We drank champagne and then the rest of her clothes came off and the serious action began. Kim fucked with a passion. She liked to be dominated. As we wrestled around on the bed she gasped: 'You're my master. I'll do anything you say.' She confessed to me that she liked to pretend to be a little girl. It was real fantasy stuff," added Alexio. "But nothing really kinky. Kim enjoys her sex too much to get into anything really outrageous."

Although some people may see her as outrageous, Kim had a surprisingly sheltered upbringing in her home town of Athens in Georgia. Friends there remember her as a shy teenager who wouldn't so much as touch a drop of beer on a night out.

"She used to be so much of a prude," said one friend. "It was like she was afraid of sex.

Kim was one of the prettiest girls at school, but very straightlaced.”

Her old friends can’t quite believe that this is the same girl that had food sex with Mickey Rourke in *Nine And A Half Weeks* or took her clothes off for *Playboy*.

Asked if she regrets the nude pictures Kim is defiant. “Absolutely not. It was a gamble that paid off, right after it I had every producer in town looking for me.”

“I don’t like sleeping alone”

She is currently the bane of the producers of her most recent film *Too Hot To Handle*, where she and co-star and current lover, Alec Baldwin became a rather large pain in the arse with their sexy behaviour. Every opportunity they got they would retire to their dressing room for a spot of spontaneous shagging. Kim, according to crew members, also rarely wore underwear during the shoot and would quite happily sit there with her legs open and undercarriage on display.

The film marks her singing debut and if she has any trouble getting acting work for a while, then she looks set to try her hand at the music business.

Her brief fling with Prince led to her writing some songs for an album which she claims will be called *The Colour Of Sex*. One of the songs she and Prince recorded together is apparently too rude to play. It sounds, according to those who have heard it, like some sort of ‘sexy foreplay’.

Sex, it would seem is uppermost in Kim’s mind. She says she can’t get to sleep at night unless there is someone in bed with her. “I don’t like sleeping alone because it gives me nightmares,” she claims.

Any offers? ♣

My lips moved to meet his and we kissed passionately. I moaned loudly as I felt his hand working its way under my thin top, and then over my heaving breasts.

He carefully manoevered me onto his polished wooden desk and lifted my skirt up over my thighs. I only had on a pair of skimpy knickers and he quickly pushed them to one side and worked his hand over my pussy mound. He soon found my wet slit and I gasped as he worked two fingers inside my hot pussy.

I reached down towards his crotch and rubbed my hand over the promising bulge I found there, before pulling his flies down and wrapping my fingers around his thick shaft. David searched out my hard clitty and then proceeded to work me into a frenzy as he brought me to the point of no return.

“Fuck me!” I ordered him, and he slowly withdrew his fingers from my cunt, before easing my legs apart and guiding his thick cock into my gaping hole. I gripped him tightly with my pussy walls and he started to speed up the pace. By the look on David’s face, I knew that he was near to coming and I quickly wrapped my legs

Pizza The Action!

Mr Bertorelli Retrobelli grew so tired of his pizza being delivered late that he wrote personally to the Chief Executive of *WheezyCheezyPizza* to express his dismay. Imagine his surprise when the man from *WheezyCheezy* turned up bearing this monster stack of pizza fashioned into Italy’s most famous landmark!

“I can’t believe it!” exclaimed Mr Retrobelli through a mouthful of pepperoni. “My very own leaning tower of pizza!”

For Chief Executive, Carlo Cornetti, it was all in a day’s PR.

THE VERY BEST OF ginny

I loved getting dressed up as a nurse — I hope I made you all feel better!

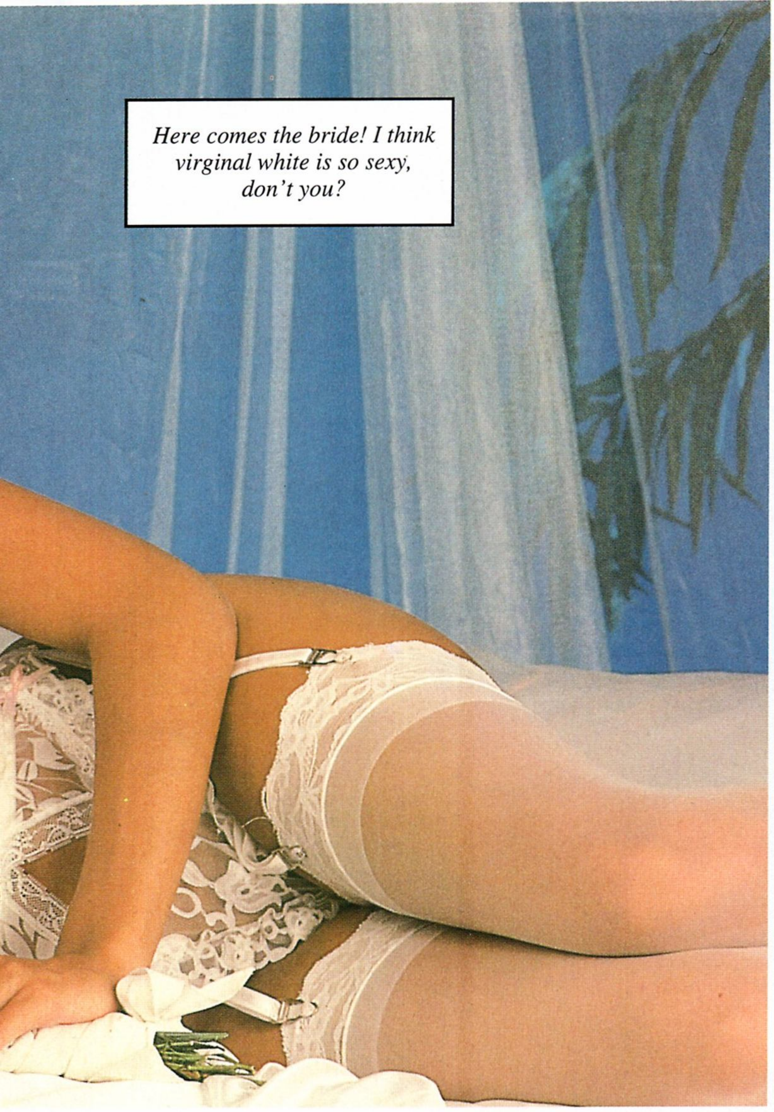
I reckon I made a really arresting sight in my cops uniform — what do you think, guys?

Hi guys! I was thinking about how I was going to turn you all on this month (and to tell the truth I was stroking my pussy as I imagined your eyes on me!) when I came up with this bright idea.

I've had so many letters from horny guys and girls saying they were hooked on a particular set of me, and would I dress up as a nurse or a bride again just for them. Of course I'd love to wear a special outfit for each and every *one of you — but I just wouldn't know where to start, you send me so many naughty requests!*

So instead I've decided to choose my favourite pictures from the pages of Club and put them together as a very special feature. I hope that they have the same horny effect on you as they do on me... and if

You'll have anything but good, clean fun with Ginny—



Here comes the bride! I think virginal white is so sexy, don't you?

I've always loved keeping fit, and I bet I could give you guys a real work out!

Lie back and think of... Ginny!

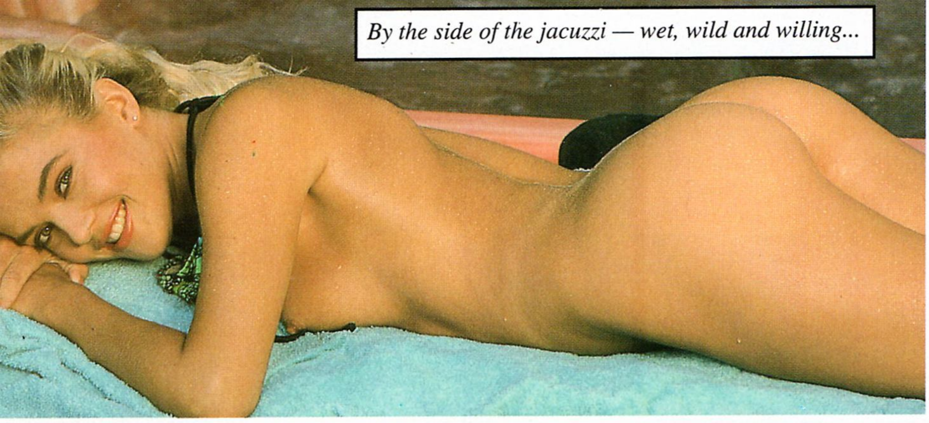
you missed any of my sets there might just be a few sexy surprises in store for you!

Just imagining you looking through these pictures has got me so horny I know it's time to strip off and play with my juicy pussy again. I hope these pictures give you as much of a thrill as they've given me! ♣

2, 4, 6, 8! Who do we appreciate? Ginny, the cheerleader, of course!

I've always been a hard rider — especially in the saddle!

As a teacher, I definitely graduated with honours!



By the side of the jacuzzi — wet, wild and willing...

When I go out I love to paint the town red (as well as blue!)...

I love a good ride — and I don't even have a horse!

It's time for bed — but sleep's the last thing on my mind!

Have You Seen This Man?

We at Club have often been intrigued by the sight of a chubby, cheery figure running to and fro in the Spurs and England midfield. Who is this elusive and mysterious character?

At last, the FA has cleared up the problem: he is one Paul Gascoigne, a genial Geordie who has gained a cult following in parts of Potters Bar and the eastern suburbs of Rome. The FA's new official video, *England's Tribute to Paul Gascoigne*, tells the full story of this notoriously publicity-shy player. Narrated by immortal sporting superstar Jim Rosenthal, it includes many little-known facts about the man they call 'Gacca': for instance, did you know soccer's shy boy enjoys Mars bars, ludicrously late tackles and one decent pass per match?

But seriously, folks, this super video contains many of the great man's most invigorating England performances. What more can anyone say about Paul Gascoigne? That he's a fat chump and Spurs will be much better off without him, that's what. ♣

'Gacca': modest, shy, fat.

Watchfrog

The croaking consumer column that craps all over the culprits...

Dear Watchfrog,
I recently purchased a brand new TV from a high street retailer. After hours of tuning and getting my hubby to wander about on the roof holding the aerial, I still haven't got a picture. I am a great fan of Judith Chalmers and have been missing out on all her handy fashion hints. I can honestly say that this would not have happened in my day.

Mrs Rectum, Slough

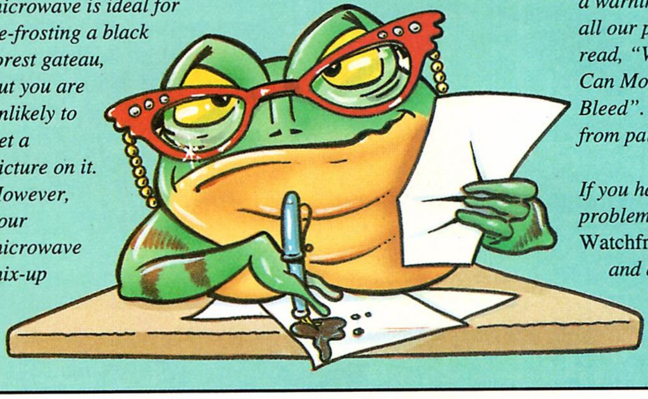
Watchfrog replies: *Oh, dear, Mrs Rectum, it seems to me that what you have purchased isn't a TV set, but a microwave oven! A microwave is ideal for de-frosting a black forest gateau, but you are unlikely to get a picture on it. However, your microwave mix-up has highlighted a serious consumer problem: isn't it about time the Government printed a warning on the sides of microwaves? Something along the lines of, "You won't be able to watch* ***Afternoon Plus*** *on this you braindead old buzzard" in letters the size of a South American republic. Let's save all our old folks from microwave misery!*

Dear Watchfrog,
Mr Churchill was the finest gentlemen this country has ever known and if he was alive today he would have put a stop to this immediately. These youngsters nowadays don't know the meaning of the word work. They say there are two million people without jobs, but you try getting someone to clean out your septic tank for a couple of bob and you'll soon find nobody's interested.

When's the Government going to raise my pension, that's what I'd like to know? Imagine Mr D'Israeli trying to survive on the money he gives us. They'd soon change their tune when they felt the birch on their backsides!

Major Buntwell, Cheltenham

Watchfrog replies: *Well, Major, you've certainly stirred up a can of worms! Isn't it high time the Government did something to protect the general public from this kind of menace? How about stamping a warning on the foreheads of all our pensioners? It might read, "Watch Out! This Bugger Can Moan Until Your Ears Bleed". Let's protect ourselves from painful pensioners now!*



If you have a consumer problem, why not drop a line to Watchfrog*? Or better still, go and accost someone in the newsagents and complain to them.* ♣

Red Alert!

I couldn't believe my eyes when I saw Club Vol 20 No 7 and set eyes on Lucy. She had the most amazing red hair that brought to mind an experience that happened to me this year.

I work as a computer analyst, and in January I had the good fortune to visit London for a training course on a new system. I speak to my London colleagues on the telephone a great deal, so it was an ideal opportunity to meet them at last.

I had often joked with one of the London-based programmers called Julie over the telephone and I was pleased to find that she would be assisting in my training. Never having met her before, I didn't know what to expect and I only recognised her by her chirpy London accent.

She was dressed in a business suit with a white blouse, but what astonished me was her gorgeous red hair which cascaded down over

RearEnders

Another edition of the arse programme without Melvyn Bragg... and the regulars in the Gropers Return have gone on an outing to Bumbridge to meet fanny-fancying farming family, The Crutchers...

Wine bar owner, Nelson Labial, was talking to farmer Phil Crutcher in their small village pub, *The Hole*, when the Bettabums supermarket bus from Netherfeeled drew up.

"A coach party? Whatever will landlord Sid Pokes do next?" grizzled Phil Crutcher. "It was bad enough having to put up with Jo and Eddie Randy's Karaoke evening."

"Indeed, Mr Crutcher," sighed Labial, "*The Hole* is far too small for Pokes. All those people in and out all the time. The screaming and shouting when they come. I had trouble squeezing in myself last night. And by the end of the night, it's so hot and wet, I came out dripping."

Reg Holdsbuttock and Curly Pubes from Bettabums reached the packed bar.

"Two pints of cooking oil and a balm cake, pet!" demanded Holdsbuttock.

"You waa?" asked the barmaid's daughter, Juicy Pokes.

"I think the townies are referring to the bitter and a cheese roll," sighed Nelson Labial.

"Hey, you've got no bottom pictures!" cried Jack Fuckwitt loudly. "What sort of a boozer is this, then?"

"We're a Cunni Inn," replied Sid Pokes. "Have you been to a Knicker Divester before? We have

TAPED!

Allan *'you'll go blind if you keep doing that, son'* **Bryce** *settles down in front of his trusty VCR and brings you the hottest adult video release of the month...*

A funny thing happened to me the other day. I was walking through Soho and this seedy little guy came up to me and said, "Do you want to buy any pornographic pictures?"

"Certainly not," I replied indignantly. "I don't even own a pornograph."

Of course little did he realise that he was talking to the nation's number one expert on percy-punishing paraphenalia. But let's not go into that. Instead let's crank up the VCR for a hot little number called **The Awkward Customer**.

The action starts right from the opening credits as a busty damsel named Dawn slowly emerges from beneath her continental quilt to study the morning papers. "I really must get a job soon," she sighs, and gets on the telephone to *Good Luck Marketing*, an up-and-coming company that specialises in sex aids.

It turns out that *Good Luck's* sales methods are somewhat unorthodox to say the least. The plan is for the female sales assistant to shove her threepenny bits inside the punter's door, and not leave until he's totally shagged-out and has bought her entire catalogue. Anyway, when Dawn turns up for her interview she finds she is in stiff competition for the job with Angela and Betty, two big boobed peroxide cuties.

"I want you all to take your clothes off and get into these," says the head sales manager, throwing them an assortment of naughty lingerie. Once togged up these babes really strut their stuff. "You've certainly got it," says our man, and signs them up on the G-spot. Now all he has to do is to test his recruits out in a combat situation...

You guessed it — quicker than you can say, "Orgy!" he's set up a wild sex party with an awkward customer. The girls strip as slowly as their top-heavy frames will allow, and before long just about everyone in the room is on the floor writhing about in sexual ecstasy. And judging from the abrupt way the film finishes, my guess is that the cameraman must have joined in as well... ♣

Alf Sloberts, Des Bunns, Fuckwitt and the rest of the coach party took their pints over to the display.

"I really fancy getting my tongue round that!" slobbered Sloberts.

"Ter-rif-fic!" cried ex-comic Rank Butcher.

Juicy Pokes appeared from behind the counter and for the first time they saw that she was dressed in a micro mini satin French maid's dress.

"Can I take your order, gentlemen?" she asked.

"Not half, tweacle," cried Pete Feale. "Bend over that table, I'm going to take you from behind."

"Ooooh!"

GRIPPING YARNS

BUST OUT FOR BLIGHTY!

Castle Grossetitz was Germany's most feared POW camp. With its huge walls and crack guards, escape was impossible. Or was it? Only one man, ***Captain Roger Muffin****, could cook the Hun's goose...*

"Within seconds he was pumping away at the doll... then he mounted her and floated out of Grossetitz"

THE STORY SO FAR...

The dark days of 1941. The lights are going out all over Europe; and it's not just because everyone's run out of money for the meter. No, all across the continent the streets echo to the thunderous tread of the Hunnish jackboot. Poland has fallen, Norway has fallen and Seb Coe stumbled and received a graze on his knee.

But while the rest of Europe crumbles, Blighty holds firm. Despite the efforts of the Bosh, chirpy cockneys and Vera Lynn, British morale remains high. Brittania's back is to the wall and every man must give her his all. All Britons have a part to play, none more so than Captain Roger 'Rumpo' Muffin, Escape Officer at Castle Grossetitz, Germany's top POW prison.

Castle Grossetitz combines the appalling living conditions of a public school with the discipline of a seaside holiday camp. Aware that British prisoners were determined to 'Bust Out For Blighty', the Germans had designed the prison to house persistent 'busters' — the type of chaps who were capable of knitting a getaway vehicle out of macaroni and forging a passport using a postcard of Anne Diamond. Even such chaps as these were intimidated by the great, white, overhanging walls of Castle Grossetitz.

A QUICK FLASH-BACK, JUNE 1940

The new prisoner, Captain Roger Muffin 633-4529 (Ask for Fifi) Squadron RAF, was led into Grossetitz and handed over to British officer commanding, Colonel 'Wippy' Egge-Whisker, Queens Own Household Appliances. "How did you come to be in Germany, old man?" the Colonel asked.

Captain Muffin smiled nonchalantly. "Took the crate up for a shufty. Pranged a Stonka dive-bomber. Didn't notice the Messerschmitte on my tail. Kite goes up in flames. Yours truly bails out and lands in the drink."

"The Channel?"

"No. Some bar in Munich. Came down in a chap's Lowenbrau." Muffin laughed easily, then asked, "what's the score here at Grossetitz?"

"Difficult to say," replied the Colonel. "As of today we've got a new commandant. Bustenhalter-Major Hans Neesundbumsadaisy has been relieved of duty following the escapes."

"Escapes!" For a moment Rumpo forgot himself and allowed a faint edge of seriousness to impinge upon his normal gentlemanly tone.

"Steady on, old top!" Colonel Egge-Whisker admonished him. "Yes, escapes. Lieutenant 'Bingo' Caller of the Prince of Grandad's Own Housie Housie received a Red Dross parcel about a fortnight ago. Normally, of course, they contain nothing but china carthorses, copper ornaments and posters with 'Tomorrow Is The First Day Of The Rest Of Your Life' airbrushed across them. This one was different. Someone had hidden an inflatable woman inside. Straight away Bingo spotted a bust-out opportunity. Within seconds he was pumping away at the doll, filling it full with methane. Then he mounted her and floated right out of Castle Grossetitz. Two days later, Petty Officer Backflap, RN, went over the top."

Captain Muffin gazed at the huge walls of Grossetitz. "He climbed those?"

"Goodness gracious, no. He just started shouting, 'Super' and 'Absolutely gorgeous, darling'. I called him aside, naturally. Asked him what he was playing at. 'Well,' he cooed. 'This is a high security camp. Jerry's the security and I'm the high camp!' Turned out he was hoodwinking the lot of us. Next morning he escaped. Dressed up as Carmen Miranda and simply bossa nova-ed past the guards."

Rumpo allowed a smile to play across his lips. "As they say in Yorkshire — Wippy a rhumba do!"

The Colonel looked at him sternly. "That's quite enough crap South American dance jokes," he barked. "By the look of the bosh trucks that are arriving, I'd say we're about to find out who our new commandant is."

As the German half-truck Wibbelwobbelwagens pulled to a halt, Colonel Egge-Whisker's normally impassive face began to turn ashen. "Oh flip," he gasped, "this is worse than I feared."

ONE HOUR LATER, THE COMMANDANT'S OFFICE

Colonel Egge-Whisker's visage remained pale as he gazed at the new commandant, Wappenknocker-Fuhrer Helga Von Bofftofften, the highest ranking female officer in the German Army. Von Bofftofften wore the distinctive uniform of thigh length jackboots, leather shorts and lace combat jacket of her regiment, the Blondenympho Fielder-Gropen, the crack outfit of the German Reich. The BFG were trained to handle the stiffest opposition. If ever there was an uprising they were quick to sit on it. As Colonel Egge-Whisker stared at the Wappenknocker-

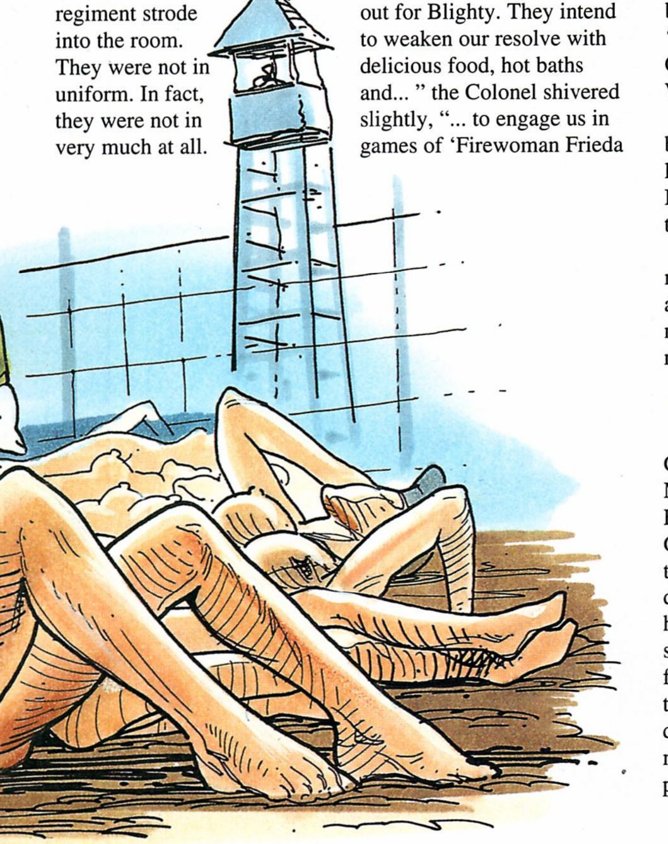
Fuhrer's cleavage his mind was filled with just one thought: he and his men must give Von Bofftofften the biggest handful they had ever had to deal with.

Now, at last, after what had seemed to the Colonel like an eternity, the new commandant began to address him. "Achtung! I must tell you about my briefs, Colonel. They are very tiny indeed — to have you here and to keep you here! We have high walls here at Castle Grossetitz, but it seems that this does not deter you men from thinking of trying to get their legs over once in a while. This must stop. I also know how you like to tunnel out of your barracks, and for this reason I will be having a bunk up in your quarters every day.

"You smile Colonel. No doubt something has tickled your English sense of humour, ja? You English like to laugh. We Germans prefer to put our mouths to other uses. To give orders, for example. Colonel, I will outline my blue-print for Grossetitz. In the past my predecessors have made things hard for you. I intend to make things even harder! You English are used to poor housing, lousy food and cold showers. This you do not fear. So I have a new scheme... " The Wappenknocker-Fuhrer clapped her hands and two officers from her regiment strode into the room. They were not in uniform. In fact, they were not in very much at all.



"You see, Colonel, wherever the Blondenympho Fielder-Gropen go they collect a piece of underwear. A brassiere in Boulogne; crotchless panties in Nantes; suspenders in Den Helders and something obscene in Nimes. Also, of course, our boyfriends are giving us things from the Front. And from the back too, if we are lucky. Ho, ho, ho! You see we Germans too can make jokes. But enough of this frivolity. You Englishmen, Colonel, are renowned for your pluck. In the next few weeks we will see how it stands up. Personally, I don't think your men will be able to keep their minds on escape for long. Any questions?"

"Yes," snapped Egge-Whisker sternly, "I wish you'd had the decency to pick up some long-johns in Mons and some semolina in Hertzagovina, then we could really have some fun."

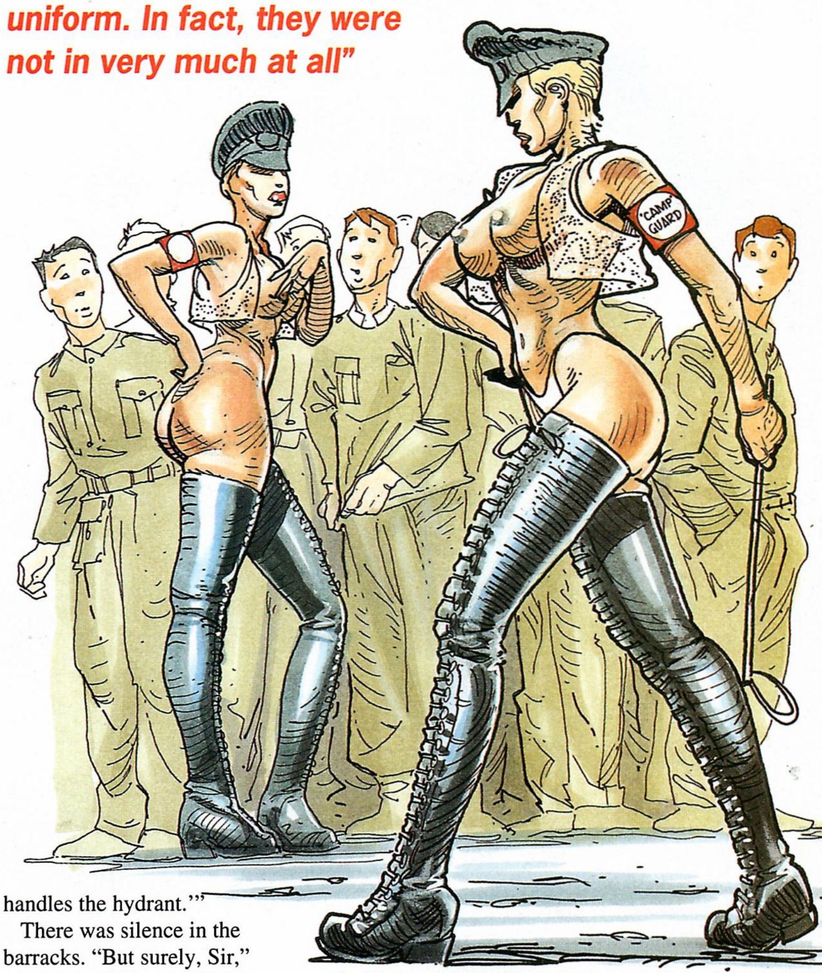
20 MINUTES LATER, IN THE BARRACKS

Colonel Egge-Whisker addressed his men. "I'm afraid, chaps, that we find ourselves in the grip of a bunch of ruthless women... "

"Dash it all!" cried out the chaps. "We're terribly fond of gels called Ruth."

Colonel Egge-Whisker ignored this feeble outburst. "They are prepared to bend over backwards to suppress out natural urges — to bust out for Blighty. They intend to weaken our resolve with delicious food, hot baths and... " the Colonel shivered slightly, "... to engage us in games of 'Firewoman Frieda handles the hydrant.'"

"The Wappenknocker-Fuhrer clapped her hands and two officers from the regiment strode in. They were not in uniform. In fact, they were not in very much at all"



There was silence in the barracks. "But surely, Sir," yelled Lieutenant 'Biffo' De Beer, "that contravenes the Geneva Convention?"

Colonel Egge-Whisker shook his head gravely. "I'm afraid not," he said.

"But you told me it did!" barked Sergeant Mildred 'Missus' Egge-Whisker, Colonel's Own Household Wives.

Colonel Egge-Whisker blushed. "We'll discuss that later, dear. At the moment I'm sure we've got other things on our minds."

"You might have," muttered the Sergeant, "but after two years in here with no rumpy-pumpy, I've got nothing else on my mind."

TWO WEEKS LATER, THE BARRACKS

Captain Roger 'Rumpo' Muffin, newly appointed Escape Officer at Castle Grossetitz, called the meeting to order. Over the past few days conditions in the camp had become increasingly sticky for the prisoners. The fiendish Hun had been giving them oysters for breakfast dinner and tea. The sight of members of the Blondenympho Fielder-Gropen sunbathing naked in the exercise yard was a common one. It seemed only a matter of time before one of the POWs cracked. And then... the consequences were too dire to contemplate.

"Now chaps," Muffin began, "I know you're as eager to bust out for Blighty as I am, so I'm going to outline an escape plan that's been brought to me by Major 'Barmy' Boffin of the Royal Devilish Cunning Wheeze Division. The Major has calculated that some 300 metres beneath Grossetitz there is an underground stream which flows into the River Schweinehunde and thence into the North Sea. All we have to do is to tunnel down through the solid granite to this stream, construct a submarine out of biscuit wrappers and squeezy bottles and we can all be back home in Britain in no time at all. Any comments?"

Private 'Nobby' Oikworth raised a grubby hand. "Yes, Sir," he stammered, "I can't help noticing that every weekend the entire garrison at Grossetitz go over to the local airfield, pick up the men from there and go up to the mountains for three days of fun, frolics and something else beginning with an 'f'. Von Bofftofften always leaves the gates open in case anyone wants to come back early. Also the planes at the airfield are kept fueled and ready to take off at a moment's notice."

"Yes, Oikworth," the Captain snapped, "and your point is?" Oikworth looked startled. "Well, Sir, we could walk out of here on Saturday, go over to the airfield, steal a plane and be back in Blighty in time for tea."

Captain Muffin looked at him aghast. "Honestly," he said, "steal a plane! Just because there's a war on, Oikworth, doesn't mean one can drop all civilized standards!"

Postscript

Captain Muffin and his men stuck with Major Boffin's plan. They tunnelled down to the stream and escaped in their home-made sub. They arrived back in Blighty just in time to see Geoff Hurst score the winning goal in the 1966 World Cup Final. ♣

WOMEN'S WRITES

Where the girls get down to business

Camera Capers

Hi, my name's Juliette and I'm 23, with a curvy 38-24-36 figure and long blonde hair. I've never had trouble attracting guys, although since I got married a couple of years ago I've been completely faithful — until very recently, that is!

My sexy adventure started when I was trying to think of a special present to give to my husband Nick for our second wedding anniversary. One of my friends suggested I should have a set of nude portraits done for him — nothing really rude, just artistic. I thought it was a great idea... but there was just one problem. Knowing how jealous Nick can be, I realised that he'd be furious to think another guy had seen me naked. Then I hit on an obvious solution — I'd just have to get a girl to take the photographs!

It didn't take me long to find a female photographer through the local paper, and I set up a session for the following week. The day of the photo session I spent hours getting myself ready so I'd look just right for Nick's birthday treat. I had a long, leisurely bath, and I must admit I fingered my pussy for a while as I thought about how thrilled Nick would be when he saw my body captured forever especially for him to enjoy.

I dressed in some new white silk undies, with stockings and suspenders, under a tight dress that made the most of my figure. Okay, I was planning to take my clothes off for the pictures, but it wouldn't hurt to get myself in the mood!

By the time I reached Kay's studio I was starting to feel really randy and excited. But I was a bit taken aback when the door was opened by an absolutely stunning redhead, with sparkling green eyes and legs that seemed to go on for ever!

"Hi, I'm Kay," she smiled, ushering me in. "You must be Juliette. I can see it's not going to be too difficult to make you look gorgeous!" I blushed. How could this knockout woman think I was pretty? She was the most attractive thing I'd ever seen!

Kay poured me a glass of wine and chatted to me until I stopped feeling nervous. Then she suggested, "How about doing some shots in your underwear, as well as totally nude? I can see you've got a good figure — we can get some really sexy pictures."

I agreed at once. It seemed a shame to waste my horny undies, and besides, the idea of standing in my panties and stockings in front of Kay was really turning me on.

When I slipped off my dress, Kay was so transfixed by the horny sight of me in my naughty undies that she forgot to take any pictures. She just gazed at me, an expression of lust on her face. That added to my excitement, and I could feel my pussy begin to tingle with anticipation as I whispered, "Well, are you going to take some photos, or are you just going to stand and stare?"

Kay blushed, and raised the camera. "You look terrific," she murmured, as she started

snapping away, and I knew she didn't just mean that from a purely professional point of view!

The combination of Kay's obvious interest and my growing horniness was really starting to get me out of control. After a few minutes I took off my bra, running my hands over my full tits. My nipples stood out hard, and I could feel the current of excitement spreading to my pussy. I knew I was getting really wet and juicy, and I wondered if Kay could see the damp patch that was slowly spreading over my crotch. Just to make sure she could, I sat on the floor and spread my legs wide, pointing my silk-clad pussy straight at the camera. Kay grinned as she knelt in front of me to take a close-up.

"Let me see your pussy," she whispered. I wasn't surprised, but I was very, very turned on as I eased my panties to one side so Kay could see my cunt. Somehow, she managed to hold the camera steady as she carried on taking pictures, but I could tell from her quickened breathing that she was having trouble concentrating on her work.

I've never thought of myself as being that much of an exhibitionist, but this sexy situation was removing all my inhibitions. As Kay watched, entranced, I slid my hand up my thigh to my mound. I let my fingers rest on my pussy lips for a moment, just to tease her, before I parted my love lips and pushed one finger right into my sticky cunt.

I shook as the full force of my arousal hit me. As I began to pump first two, then three probing fingers in and out of my slippery hole, I was dimly aware of Kay snapping away, but frankly, by then I couldn't have cared less if I'd had a huge audience. My pleasure built up in incredible waves until suddenly it reached a peak and I moaned loudly as I came.

I lay back on the floor with my eyes closed, temporarily wiped out, my wet fingers resting on my thigh. I was just catching my breath when my cunt started to feel hot and tingly again. I opened my eyes, and saw why. Kay was lying on the floor between my legs, her face just inches from my snatch, blowing gently on my wet cunt lips. The tickling sensation soon had me feeling horny all over again, ready for what was about to happen.

Kay licked up my thigh from my stockingtops to the crotch of my panties. By now they were soaked, and Kay was in such a hurry to get them off that she managed to rip them apart. I didn't care! All I was thinking about was feeling her fingers and tongue inside me.

She licked all around my cunt lips until I was virtually begging her to fuck me with her tongue. She teased my clitty, rubbing her fingers over it time and time again, before at last she held my swollen lips apart and slid her tongue right into my cunt. I came straight away, the sensation was so amazing.

But Kay was far from finished with me. She gave me the most thorough licking out I'd ever had, bringing me to the edge and then letting my excitement die down several times before she let me climax again. By now I couldn't wait to see her fantastic body naked, and I quickly stripped her and investigated her lovely flame-haired snatch.

Believe it or not, I'd never done anything like this with another girl before, but it didn't take me long to get the hang of eating pussy. Kay's lovejuice tasted so sweet — I've always loved to taste myself from Nick's fingers, but she was even better!

I held Kay's pussy lips open as wide as I possibly could and darted my tongue deep inside her cunt. She held onto my head as I quickened up the pace, and I could feel her shaking like a leaf as she neared an explosive orgasm.

When Kay came, gasping, her pussy clenching around my tongue, I was so aroused I had to bring myself off again with my fingers at once. Kay watched intently as I pushed, first one, then two, slim fingers inside my boiling cunt and started to tease my hard clitty. Kay gasped as she saw the juices from my fanny running down the insides of my thighs. I was near to coming again, and Kay could see this. In an instant, her tongue was down alongside my own fingers, as she started to frantically lick my cunt. That sent me right over the edge, and I let out a loud scream as I felt an orgasm ripple right through me. I guess we could have gone on like this all day, if Kay hadn't had another client arriving later on in the afternoon!

I went home with no panties on, struggling to contain my lust every time I thought of Kay's fingers and tongue exploring me — and I'm sure Nick wondered why I was so passionate in bed that night! The following day I returned to Kay's studio so she could take the tasteful nude photos we'd planned — they were very different from the ones we'd taken the day before, I can tell you!

Nick was thrilled with his birthday surprise, and he's had a few of the pictures framed and hung on the bedroom wall. He was quite happy about it all when I told him they were taken by a woman. I wonder what he'd say if he knew there was another, very rude, set of photos of me in existance — never mind what I get up to with the photographer while he was at work! — *Juliette, Maidstone* ♣

HOLIDAY BLUES

playing away from home

Frolics in Spain

You may remember me from Club — but even if you've forgotten, you won't forget the raunchy tale that I'm about to tell you.

I'm Emma and my friend is Justine. We've known each other since school, and we always have a great time together. She's as daring as I am — and that's pretty daring! We'd booked a holiday together this year, but then the airline went bust and it was all cancelled. But, as we've never been the sort who get down about things, we decided to go out and about to drown our sorrows.

We were at a club — drunk, I have to admit — when we met this really good-looking guy, Desmond. He was tall and well-dressed and seemed to take an instant liking to both of us. He seemed really genuine too, and didn't respond to any of our outrageous flirting. We pinched his bum and gave him a bit of a fondle, but all he did was laugh, and say, "You're definitely out for a good time, aren't you, girls?"

So we gave up and chatted to him instead and found that he was actually a really pleasant guy. Then, he dropped the bombshell. "Listen," he said over the music. "I was supposed to go on holiday to Spain, to my villa, but my girlfriend can't make it. I wonder... would you two girls like to come instead? You both look like you're great fun."

Drunk or not, we needed time to think that one over. Thirty seconds at least! I gave Justine a nudge in the ribs and whispered, "What have we got to lose?" She nodded, but in a sudden rush of caution, she said to Desmond, "We'll think it over and meet you for lunch tomorrow."

Tomorrow came, and we were both very hung-over and convinced it was all a set-up. But when we turned up at the restaurant for lunch, Desmond was there. As we sat down at the table he said, "You'll be doing me a real favour if you come. It's a timeshare, so I have to go this week. No one else who'd be a good laugh can go."

"Sold!" I said, and burst out laughing. That was it, sorted. That evening, we drew out all the money we had, packed a bag each and then each had an early night so we'd be ready bright and early.

We met Desmond at the

airport, and had a great flight. By the time we got there, we were pretty tiddly and when we got to the villa we were exhausted. Desmond showed us our rooms and we crashed out for a few hours.

That evening, we looked round the place. It was perfect: a massive villa with a huge clear swimming pool, and within walking distance of the beach. We got into our swimming costumes and headed straight for the pool.

Now Justine and I aren't averse to a bit of feminine frolics so to speak, particularly in perfect circumstances such as these! Desmond was in the kitchen cooking us some dinner, so we slid into the cool water together. Under the water I slipped my hand into Justine's bikini bottoms and slid my finger between her lovelips. Justine has lovely soft pubic hair and I love to run my fingers through it. She pulled me to her and lifted up my bikini top so that my boobs were bared, then she began to lick and suck on my nipples.

I was getting pretty turned on, and I pulled her hips towards me so that I could press my mound against hers, while I squeezed and kneaded her deliciously firm bum cheeks together.

Justine pushed me to the edge of the pool and lifted me up onto the side, so that her face was directly level with my pussy. She pushed my thighs apart so that she could get a good look at my swollen, aroused lovelips, before she pushed a couple of fingers into my wet hole and began thrusting. Thrills of pleasure coursed through me, and I put my head back and moaned. I lifted my hips off the ground so that I could grind my hips against her fingers and feel her plunging deeper into me.

After a few minutes she took her fingers out and

replaced them with her tongue. Justine knows just how to lick me out and she ran the tip of her tongue along my slit, before centring on my hard clitty. She slowly ran her tongue round it, then over it, flicking deliciously on its tip, faster than the best vibrator. My back arched, and I groaned with the beginnings of my first orgasm. Then she brought me over the edge by plunging her tongue into my pussy. I clenched my muscles round her tongue, as my climax swept over me, leaving me panting and exhausted.

I looked up to see Desmond watching us from the French windows. He had a look of complete amazement on his face. Justine smiled up at me. "Are you thinking what I'm thinking?" she asked.

"Probably," I replied, and together we went up to Desmond. He was looking a bit wobbly and sat down on a deckchair. I sat on his lap and Justine crouched beside him.

"Now you've caught us, I'm afraid you have to be part of the gang," I told him. "And that means an initiation ceremony."

Desmond's eyes lit up. "Initiation ceremony?" he repeated. I squirmed round on his lap, and already I could feel his cock pressing through his shorts against my bum cheeks. I quickly got off, pulled down his shorts, and gave his shaft a thorough licking, paying special attention to his swollen purple helmet. When he was rigid and ready for me, I crouched on top of him and sank down onto his cock.

My pussy was still warm and wet, and my snug walls gripped him as I began to move up and down. I slid right along his length, teasing him at my opening, before plunging firmly onto him again. He filled every inch of my eager pussy and as I bounced faster on him, I could feel another orgasm building up inside me. Just as I though I would explode, and Desmond was looking like he was pretty close to it too, Justine tapped me on the shoulder.

"What about me?" she asked. "You've been getting all the attention so far."

I'd nearly reached the point of no return and it was a terrible pity to slide off Desmond's cock when we had struck up such a good working relationship, but I deferred to my long-standing friendship and slipped off. Desmond gave a groan of disappointment which turned to a moan of pleasure as Justine slid her tight hot pussy in my place. Desmond reached up and played with her bouncing creamy boobs as she gave him the fucking of a lifetime.

Then, unexpectedly, he lifted Justine off him, eased her onto all fours on the ground, hopped off the deckchair and slid his throbbing cock into her from behind. From where I was standing I got a fabulous view. Desmond's handsome seven incher was hard and glistening with Justine's love-juice as he pushed it into her hole. Justine's pink hole oozed juice all down her thighs as Desmond pumped harder into her. He got in so deep that his balls slapped right against her bum cheeks, and Justine squealed loudly in delight.

Desmond reached underneath her with both hands, one grabbing for her swinging tits, the other working its way between her lovelips from the front, pressing on her clit and

sending her into ecstasies. She met him thrust for thrust, pushing her pert, gorgeous bum against him. A pre-orgasmic flush covered her whole body, and her long hair was stuck to her face with sweat. Desmond was definitely close to the boil and he was ploughing into Justine deeper than I would have thought possible.

All this had kept my juices flowing for quite some time, and all it took was a tweak on my nipples and a gentle fingering of my clit to bring me to a shuddering orgasm. The next instant, Justine gave a long moan, and froze, with her back arched and her head back. The sight of her orgasm was nearly enough to set me off again. Desmond withdrew his big cock just in time to let jet after jet of creamy spunk splatter over Justine's bum, thighs and back.

After that little interlude, we were all exhausted, so it was time for a shower together, then a dip in the pool. Desmond obviously wasn't used to such rampant sex because he had to retire for a nap. Justine and I had a long dip to cool off, then lay on the side of the pool together in the evening sun for a leisurely snooze.

It wasn't long though, before I woke up with my fanny lips juiced up and my finger unconsciously in my pussy. I looked over at Justine sleeping and began to think increasingly naughty thoughts. I wondered if I could give her an earth shattering orgasm while she was asleep.

I crept up to her and gently stroked her boobs to see if she'd wake up. She didn't, but her nipples stood up hard and red, always responsive. Getting more daring, I ran my fingers down her tummy to her soft bush. I gently parted her legs and let my fingers explore her plump pussy lips, stroking between them to where, to my surprise, she was beginning to get warm and sticky.

I wondered what kind of dream she must be having by now. I gently pressed between her lovelips onto her clitty, and although she didn't wake, she moaned and I could feel her clit becoming a hard button under my fingertip. I couldn't resist the temptation to lean forward and gently caress it with my tongue, and I felt her tremble all over. While I licked along her sweet-tasting slit, I ran my palm over her nipples. I didn't dare tweak them as she liked when she was awake, in case it was enough to stir her. Everything I did was amazingly gentle, and sure enough, as the minutes past, I could feel her pussy getting hotter and a pink flush spreading across her again.

Getting even more daring, I slipped one finger slowly into her hole. I could feel her firm muscles inside, sticky with juices and ready to be penetrated deeply. Unconsciously, they gripped my finger as though I was a hot prick ready to fill her. As I thrust gently into her, she moaned almost silently. Juice seeped all over her thighs — I'd never seen her so aroused! Normally, Justine is so lively in bed that I don't get the chance to play around with her so slowly. I was able to study her every reaction. It was incredibly erotic. In fact, so erotic that I couldn't help a couple of fingers slipping down to my own pussy.

I could feel her tunnel tensing up and I thrust two fingers in. I increased the pressure on my own clitty, and I could sense that we were reaching a crescendo together. Then with a long sigh, Justine climaxed, her muscles clamping round my fingers in contractions stronger than I'd felt her experience for a long time. With a final rub on my eager clitty I climaxed too, frozen on the spot for a good ten seconds or more.

Unbelievably, Justine was still not awake. She lay sleeping sweetly, an innocent smile on her face. When she did wake up, I wondered if I should tell her but then I decided it would be my little secret. I enjoyed doing it so much that nearly every night on that holiday I gave her a fabulous frigging — and she couldn't make out why she felt tired in the mornings!

Our holiday with Desmond turned out to be the most fabulous frolic ever. We spent day after day fucking each other, stopping only to let Desmond make us a wonderful meal or two. We're firm friends now, and we've planned another holiday next year, this time with a few of Des's mates. And if all you Club readers are really lucky, I'll tell you all about it! — *Emma, Edinburgh*

COUPLES CONFESS

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life·experiences with us

Dirty Discovery

Although several months have passed since the events that I'm going to tell you about, I still get a tingling in my pussy whenever I think about them, and I still can't believe that I actually did them. And that I'm still doing them!

I've always been pretty randy, and game for almost anything when it comes to sex. With my curvy figure and long red hair, blokes have always been quite keen on sex with me as well, and so although I'm only 20 I'd say that I'm pretty experienced.

I've been working for four years in an insurance office, and for the last two years I've gone on holiday to Spain for a fortnight with my friend from work, Julie. She's just like me, always up for it, and those holidays have just been full of flirting and fun, and not a little Sangria. This year I was looking forward to more of the same, but two weeks before we were due to go, Julie got measles and was ordered to stay in bed for a whole month!

I was bemoaning the fact when I rang her the week before. "It'll be no fun at all on my own," I reckoned.

"But you won't be going on your own if I get my way," Julie replied. It turned out that she was planning to sell her ticket. "It's just a suggestion," she continued, "but I was thinking that I could flog my ticket to Samantha."

I couldn't believe what she was planning. Sam was the office wallflower, really quiet, and whenever we gossiped about boyfriends and discussed sex she never joined in. Even when we went on office outings she never even eyed up a bloke. But as we chatted about the plan, we giggled as we thought it might be fun if I tried to get Sam to come out of her shell a bit. "We might even find out that she's a nympho!" I chortled.

To my surprise, Sam seemed pleased when Julie rang her and offered her the ticket. I wondered if it would all be a huge disaster, but decided that for the sake of having a holiday I'd have to put a brave face on and make the best of things.

I certainly got a shock when Sam met me at the airport before we flew out — she strode up wearing the briefest of cut-off shorts and the skimpiest top I'd ever seen! I couldn't believe it — it was so different from the white shirts and grey skirts she always wore to work. She had really high heels on too, and every bloke she walked past was oggling at her long legs and lovely figure.

"Thought I'd let my hair down as I'm on holiday," she grinned at me, managing to eye up three blokes simultaneously. I grinned back and immediately knew that we were going to have a great time.

As soon as we arrived at our hotel that evening, Sam wanted to go off down to the disco that was in the basement of the hotel. It was a really big one and open to non-residents as well, so she thought we'd be bound to find at least one tasty bloke — and as Sam said, "If there's only one we can share him!" I didn't quite take her seriously, then...

When we walked into the disco, every bloke's eyes were on us. Hardly surprising as Sam was wearing a virtually see-through catsuit, cut low just about everywhere, and I had on a tight white mini dress which had gone virtually invisible under the ultra-violet lights. As we stood by the bar Sam picked out a couple of likely looking targets — two horny French boys. "Let's see just how long it takes us to pull them," she said.

It took about ten minutes until Pierre and his friend Philippe came over and asked if they could dance with us, and about 45 minutes until we left with them and took them back up to our room. In the lift I could see through his shorts that Philippe was sporting a stiffy that looked like it would be a foot long.

Inside our room the lads looked like they wanted to pair off and start a bit of necking, but Sam had other ideas. Making them both go and sit on the bed, she told me to go and undress them, one by one. "Have a good look at their bodies," she told me, standing there looking very authoritative, "and tell me if they come up to our standards."

Both lads lay back on the bed looking slightly puzzled, but obviously very aroused as I stripped them of their shorts and T-shirts one after the other. Both of them were wearing very tight briefs and had such firm hard-ons that their helmets were poking out of the tops. I could feel my pussy juicing up as I took in the sight of those hard-ons rising just for us.

But Sam wasn't ready to join in yet. Instead, with a wicked gleam on her face, she said, "You take them both on, Lisa — show me what you're made of." I looked at her in astonishment. Surely this wasn't the same office shrinking violet I'd known for the last six months?

"Go on, get on with it!" she ordered.

I didn't know which lad to choose first, so I just dived on Pierre who was the nearest, guiding his hand down to my pussy so that he could finger me and feel how wet I was. I'd never been wetter — I could feel Philippe pressing behind me as Pierre was in front, and so I could feel one cock stiff against my back and the other

Meanwhile, Carol and Claire are into a lesbian screwing session and Allan's wife, Jackie is showing the workmen the crack that she wants filled.

BUSTY SPECIAL NO. 1

When little Alice spills a drink down the dress of Margaret, the big busted blonde, she strips off and lets Alice dry her body, including those big, bulging tits. Then Alice gives her a baby oil massage, finding her way into every nook and cranny, until Margaret is completely satisfied.

ANGEL'S BACK

Back to what she does best — sex — with anybody. Lots of lesbian and group action. A superb gym session, where she lifts all the tackle going and makes the most of the bulging equipment. Then her insatiable lust takes her into a Harem orgy with Arabs built like stallions.

surging up against my stomach and rubbing into my pubes. Every time I moved I could feel those cocks rubbing on my skin, the ends slightly wet with pre-come, and little frissons of excitement went through my pussy at the thought of what was to come — and the fact that Sam was watching everything we did.

"Philippe, I think Lisa's ready for a length of cock now," Sam instructed. "Do it to her, do it from behind."

I felt myself being lifted up and then Philippe was gently pulling my buttocks upwards and parting my swollen, soaking wet cunt lips so that he could push the tip of his cock between them. Pierre was now lying underneath me, still fingering my little clitty and breathing hard as he fought not to shoot his load. I closed my eyes and waited for the blissful feeling of being filled up with cock.

"Wait!" shouted Lisa. I looked over my shoulder and saw that she was rooting through her case. She turned back to us then, triumphantly brandishing a pack of condoms. "You can't be too careful these days," she said to us, and next minute she was carefully and expertly rolling a fine condom over Philippe's stiffy. It looked such an erotic sight, standing up hard and throbbing; I could see the veins standing out through the thin rubber.

"Now you can fuck her," Sam told him. "Put it right up her and fuck her hard!" Philippe seemed only too happy to comply and the next minute he was pushing slowly up my cunt, inch by inch, until he was right inside me to the limit. I cried out with pleasure as he started to thrust, each strong, long motion making my buttocks raise up and my pussy walls contract around them.

I was on all fours on the bed as he did this, and the sight of my generous boobs dangling was obviously too much for Pierre to take. As his friend fucked me, he fastened his lips on to one of my boobs and gently nibbled and bit my nipple. It was incredible. There were huge waves of orgasm going through me as I felt Pierre suckling me at the front, and Philippe firmly rogering me from behind, both of them panting with the effort of it all. My eyes were closed my head thrown back with ecstasy, and in the background I could hear little moans, and I guessed that Sam was stroking her own pussy through that body stocking, which showed it all anyway.

Philippe mumbled something then, and the next minute I felt him shoot into the condom inside me. I came just afterwards, my pussy spasming and holding his semi-erect cock still inside me until I'd come about four times. As I relaxed forward a little, I watched as Pierre cupped my boobs in his hands and manoeuvred himself on the bed so that he could wrap them around his cock, like a second pussy. Urging me on, he thrust his cock in and out between my love pillows, lubricating them with his pre-come and finally shooting his load all over them, making a hot, sticky, delicious mess.

I'd never felt so satisfied; my whole body was tingling and felt alive, and although I'd just had several orgasms on the trot, I felt ready for more and was still randy. Philippe had flopped back on to the bed, and Pierre rolled out from under me to lie back, exhausted. They both had huge grins on their faces and they started jabbering away to each other in French, obviously comparing notes on whether it was better to fuck my wet, hairy pussy or my warm and accommodating cleavage.

Every night of that holiday I picked up different blokes and then took turns to fuck them — always under Sam's strict supervision. What a holiday, and just think — Julie will be coming with us next year too! — *Lisa, Northampton* ♣

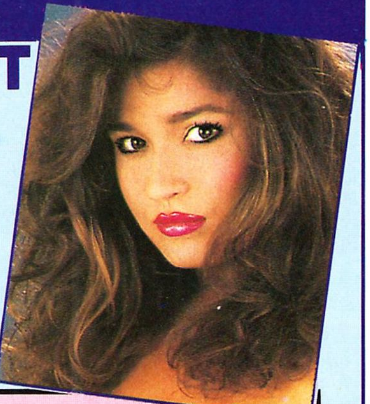
28 HARD SEX VIDEO FILMS ONLY 42p EACH

IMPORT SCAN RELEASES



THAT'S RIGHT — IT'S NOT A PRINTING ERROR —

IT'S A GENUINE OFFER OF 28 VIDEO FILMS FROM ME CINDY THRUST!

It's a one-off chance to grab these 28 video titles, never before seen in the U.K., at these prices, hard sex movies for an incredibly low £11.75 — that's only 42p each title.

WARNING!

- Do not buy if you are likely to be offended by intercourse.
- Do not buy if the sight of group sex, all girl sex and orgy sex action might disturb you.
- Do not buy if the sight of adult action will upset you.

You will see all these topics and many more featured right to the FULL CLIMAX in my original 28 video films, which should not be confused with all those other imitation advertisements on the market selling SOFT ENGLISH RUBBISH, ON LOW QUALITY VIDEO TAPE.

To keep the price down, these 28 titles have been run off in bulk, especially to knock our English competitors out of the market. Our guarantee to you is:-

BUY US — TRY US —
AND YOU'RE SURE TO STAY WITH US!

Remember — when you receive your goods you will be given a security number code for future orders plus details of our new distribution centre in the UK.

MY VIDEO FILMS ARE THE REAL THING

Read the warning again, as it is not our intention to upset you — we are positive you will be riveted to your seats watching these incredible films, so I only ask that you:-

1 BUY THE FULL COLLECTION OF 28 TITLES AT ONLY £11.75 — THAT'S ONLY 42p EACH
2 BE DISCREET WHEN YOU SEE THEM AND RECEIVE OUR EXPLICIT FULL COLOUR CATALOGUE OF OTHER OFFERS FREE

The full range of 28 titles gives you 2 of every sexual subject you can imagine, guaranteed to whet the strongest palate!

DIANA

Photographs by Ulf Stjernbo

Never say Di, at least not in the presence of 22-year-old Diana Cooper. "I don't care how friendly a guy gets or how hunky he may be, the moment that he calls me Di, I drop him!" she says, and blowing a relationship with the sort of ice-cool blonde that is normally only seen with the likes of James Bond would be a serious mistake to make.

However appearances are deceptive: she is anything but cool when it comes to guys. "I do tend to take the lead," she says. "If I see a bloke I fancy I just want to bonk and go!" Does this mean that Diana doesn't want a long-lasting relationship? "Maybe when I'm 30, I'll be a one-man woman, till then..."

That's eight years, guys, to live and let Di... ♣

Michaela

Marvellous Michaela is a lady who needs no introduction to regular readers of this illustrious organ. Her pouting lips, perfect breasts and munchable bum have had all you guys putting pen to paper and writing reams of poetic praise to the blonde bombshell — and she reads every single one!

"Your letters seem to get dirtier every time," coos Michaela. "I get incredibly randy

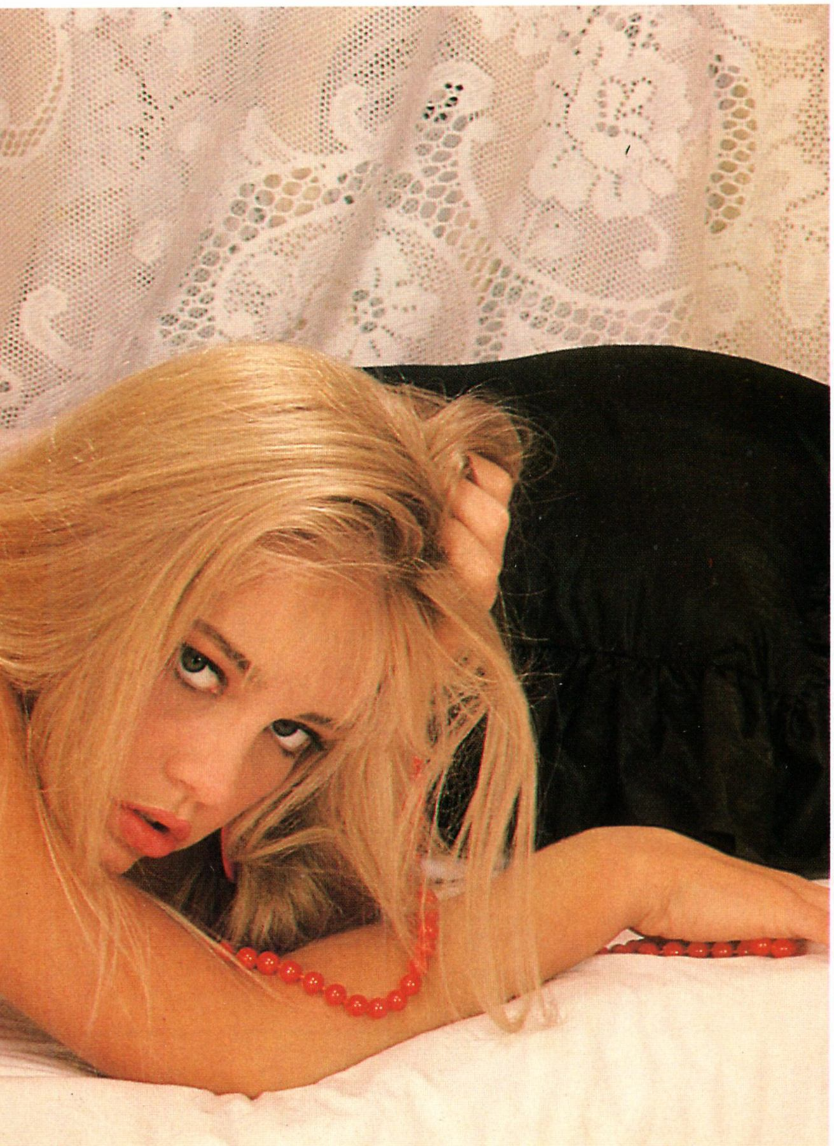
appearing in Club — but you know that already. You're always telling me how horny I look in my pictures and you're right!

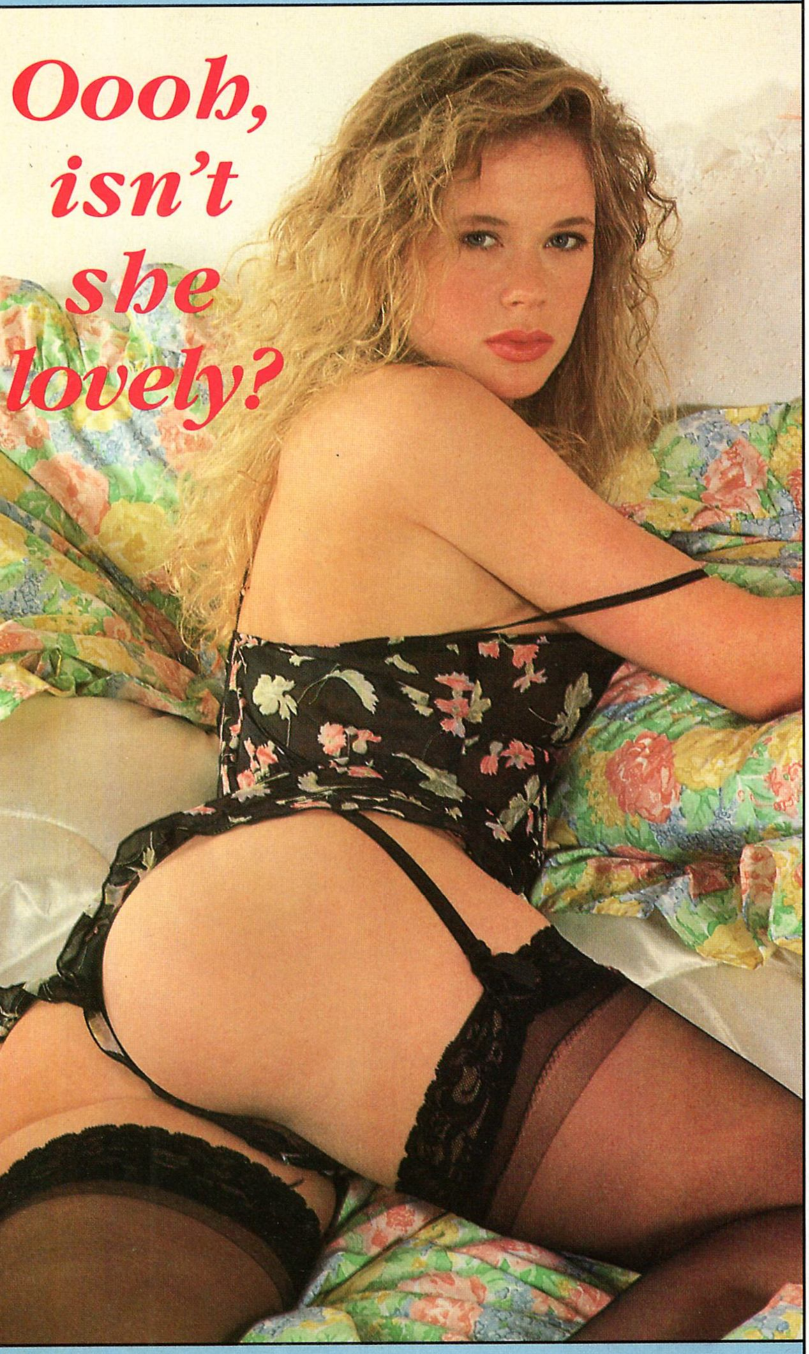
"It starts off with a tingling feeling in my pussy," reveals the 21-year-old stunner, her hands straying down over her beautiful breasts, "and then spreads over my whole body. By the time I've finished the pictures, I have to sneek off to the ladies' room for a quick frig. That's where I read all your randy letters... all I can say is keep them coming!"

Just goes to show, guys, the pen is mightier than the sword! ♣



COMING IN club

Oooh, isn't she lovely?



Next month's boob-filled bumper issue of Club is packed with more lovely ladies than you can shake a stick at... so what's new, we hear you ask? Well, how about the rather swoonsome Kim here, just for starters. Then simply add a generous helping of buxom beauties and a large sprinkling of terribly funny bits and hey presto! — one trouser raising issue of Club. What more can you ask from life? ♣

IN·THE·BAG

her shoulders. I've always found redheads sexy and have wondered if they were like that all over.

As my first week there came to an end and we had become friendly, I asked Julie out for a meal at my hotel as a thank-you for my training. I complimented Julie on her appearance and she replied with a knowing look, "I bet you're wondering if I'm a natural redhead!" As I agreed, she said that I'd have to find out for myself.

Later on, we went up to my room for coffee and when I returned from the bathroom Julie was already in bed! Her beautiful red hair was spread all over the pillow and she asked me to show her what I was made of. I quickly got out of my clothes and walked over to her. She leaned out of the bed and gently took hold of my cock, cupping my balls in one hand while pulling at my foreskin with the other.

She licked all around my helmet, before sucking my length into her mouth. I ran my hands through her long hair as she gobbled my cock. This was all too much for me and I told Julie that I was about to come. Julie then started to suck my meaty pole even harder, and just as I was sure I was about to shoot my come down her throat, she pulled my cock out of her mouth and I sprayed my load all over her red hair.

Julie looked at me with a wicked smile on her face. "Well, what are you waiting for?" she asked, pulling back the bed covers, "it's your turn."

I stood frozen to the spot for a second as I marvelled at her slim body. Her boobs were small and firm and I slowly sucked her gorgeous nipples before working my way further down.

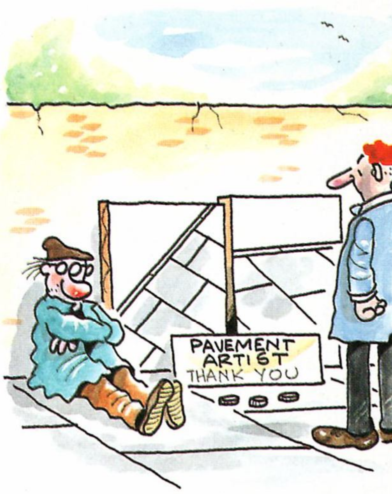
My hands were trembling with anticipation as I came to her red G-string and I started to gently lick her cunt through the thin material which drove her wild. After a couple of minutes, I couldn't wait any longer and I slowly peeled off her red G-string to reveal my goal. Her cunt was covered in soft ginger pubes and I delicately ran my tongue along her swollen pussy lips and tasted her for the first time. She moaned loudly as I licked at the entrance to her cunt, before I searched out her swollen bud and began to gently flick my tongue across it. Julie thrashed around wildly on the bed as I pushed my tongue inside her sweet pussy, and then she uttered the immortal words, "Fuck me, Steve, fuck me!"

I rose up from between her legs, and as she held her pussy lips open, I slowly eased my cock inside her. Her cunt felt wonderful, and I could Julie's pussy walls gripping tightly onto my cock. A big smile spread across Julie's face and she started shaking like a leaf. I realised that she was having an orgasm and reached my hand between her legs and started to rub her clitty, which sent her right over the edge.

She moaned loudly, and I quickly speeded up the pace until I felt my balls tighten and I released a stream of hot spunk inside her warm pussy.

The rest of that memorable night was spent fucking each other in every conceivable position, and we never stopped until lunchtime the next day!

That was the first time that I have fucked a red-haired girl and the experience is one that I'd certainly like to repeat. Julie and I still stay in touch, and indeed, I'm hoping to visit her again soon. Many thanks, Club — and Lucy — for reminding me of a great night! — *Steve, Newcastle* ♣



SON OF BAD JOKE

Back by no popular demand whatsoever, it's the joke column that is the literary equivalent of spending a night of wild and dirty sex with Gyles Brandreth. This month Peter from Liverpool shares his jolliest jape with us...

Three students had just received their grades from their teacher on a sex education exam. The first student got a D-plus, the second a D-minus and the third an F.

"One of these days I'm gonna knock that teacher off her chair," sneered the first student.

"And I'm gonna hold her down," added the second.

"Yeah," said the third, "and I'm gonna kick her in the balls!"

Very poor, Peter... we'll send you a Club T-shirt, though — as long as you promise never to darken our door with such unmitigated keek ever again, right? ♣

FINAL SCORE

As you know, all the blokes at Club have hordes of women desperately chasing after them screaming "Let me have your babies!" (Except the Ed.) Here are their tips on how to put a girl off you for life...

1. Just as she's reaching the height of erotic ecstasy during your most exciting bonk for ages, take a deep breath and moan "Mum! Mum!"

2. Kill her cat.

3. Buy her a huge bunch of flowers on her birthday, but accidentally write your ex-girlfriend's name on the card.

4. When she tries to get you jealous by flirting with a guy in the pub, whisper in her ear "I fancy him too — try to get him back for a threesome."

5. Get stinking drunk in front of her parents.

6. Then spend the whole next day complaining about how ill you feel, demanding tea, aspirin and chocolate chip cookies like mum used to give you.

7. Buy her some sexy underwear for a romantic evening in, and when she's all kitted out, say "You know, I'm not sure your legs suit stockings after all."

8. Use your stunning oral technique to arouse her to the brink of orgasm, and then roll over saying sorry, you're knackered, and fall asleep.

9. Repeat three nights in a row.

10. Slob around the house wearing a T-shirt and old stained Y-fronts all weekend, but put on your smartest clothes to go out drinking with your mates.

11. Offer to cook her a romantic dinner for two. Then order a curry to be delivered, slop it in and out of all the pans in the kitchen and serve it up with lager while the football's on telly.

12. After she's spent three hours prettying herself up for an evening out, look at her carefully and say "Well, brains are worth more than looks anyday."

13. Wear your socks and underpants in bed.

14. In the morning, take them off and leave them on a festering pile in the corner of the bedroom.

15. Every so often, take a particularly rancid one from the pile and pop it in her clean knicker drawer.

16. Leave her vibrator lying around when her parents come to visit.

17. When you meet her best friend, kiss her hand and say "But she never said you were *beautiful*."

18. Forget to flush the condom away.

19. Snore.

20. When she gets mad about any of the above, just smile sympathetically and say "You're always like this at this time of the month." ♣
